MUNICIPAL REGULATIONS

FOR PAYMENT OF BILLS AGAINST THE CITY

All persons furnishing materials or service for the city, or aid to the city poor, should be particular to take the name of the person ordering such service, material, or aid, and should *know* that the person is duly authorized to contract such liability.

The city will not be holden for merchandise sold or delivered on city poor account, except on the written order of the overseer of the poor, and for no longer time than until his successor shall have been appointed and qualified.

Duplicate copies will be required of all bills payable by the city, furnished on county poor account.

All bills against the city must be approved by the person authorizing the charge; and unless this is done, no action can be had upon the bill by the Committee on Accounts and Claims, and no order will be given for its payment.

Bills so certified should be left with the city clerk on or before the second day of the month.

If approved by the Committee on Accounts and Claims, they will be ready for payment on Thursday following the regular monthly meeting of the city government.

The regular monthly meetings of the city government occur on the second Monday of each month.

ARTHUR E. ROBY,
City Clerk.

ORDINANCES AND RESOLUTIONS
PASSED DURING THE YEAR ENDING JANUARY 9, 1928

AN ORDINANCE IN AMENDMENT OF CHAPTER XLI OF THE REVISED ORDINANCES.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Chapter XLI, Article IV of the Revised Ordinances by striking out the first paragraph of Sec. 2 said Article 4, and inserting the following:

“SECT. 2. Whenever the driver of any vehicle intends to leave his seat or stops more than five minutes on any street except as provided in Sec. 14 he shall park such vehicle parallel to and within six (6) inches of the curb line. When cars are parked parallel to the curb, space of three feet shall be left between cars.”

Further amend said Article IV by striking out the whole of Sec. 3 and inserting the following:

“SECT. 3. (a) The parking on Main Street from Freight Street to Capitol Street shall be restricted to sixty (60) minutes.

(b) The parking on Depot Street shall be restricted to the south side of the street.”

The following sections to be added to said Article IV and numbered 14 to 18 inclusive:

“SECT. 14. No vehicle shall stop in such a way as to obstruct any street for the purpose of loading or unloading merchandise, except in accordance with a permit from the Department of Public Works.”

“SECT. 15. No person, firm or corporation owning, possessing or having the care of any street car, vehicle or vehicles of any description shall store or permit the same to remain unemployed and out of use in any public street or part of a highway, except temporarily in case of emergency.”

“SECT. 16. Parking of vehicles throughout the night in any street or highway is prohibited.”

“SECT. 17. Parking of vehicles in front of any public or private driveway is prohibited.”

“SECT. 18. As a safety measure traffic shall be stopped before crossing the following locations:

On North Spring Street at School.

On North Spring Street north bound at south side of Center.

On Center Street west bound at North State.

On North State Street and South State Street at Pleasant.

On Green Street south bound at Pleasant.

On North Spring Street at Pleasant.

On South Spring Street at Pleasant.

On North Spring Street north and south bound at Warren.

On Fayette Street west bound at State Street.

SECT. 2. Further amend said Chapter XLI by adding two new Articles to be numbered X and XI respectively and to read as follows:

ARTICLE X.

“SECT. 1. Drivers must exercise all due care and use every means to eliminate injury to persons crossing streets or walking upon the streets or highways. Likewise it is the duty of pedestrians in stepping from sidewalks to the roadbed to look up and down the highway or street to see if vehicles are approaching; further, they shall cross the streets only at designated cross walks unless other locations are designated or marked.”

“SECT. 2. Drivers should use extraordinary care in approaching and passing school buildings and should also use every reasonable precaution to prevent the frightening of horses when approaching or passing vehicles drawn by same.”

ARTICLE XI.

One Way Street

Blake Street, from State Street to Green Street.

SECT. 3. Further amend said Chapter XLI by renumbering the present Article X to read Article XII.

SECT. 4. This ordinance shall take effect April 15, 1927.

Passed, March 14, 1927.

AN ORDINANCE IN AMENDMENT OF CHAPTER XLI OF THE REVISED ORDINANCES.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Chapter XLI, Article IV, Sec. 2 of the Revised Ordinances by adding after the word "line" the following "except on the west side of Main Street between Capitol and Park Streets when he shall back-in such vehicle so it shall stand at an angle of forty-five degrees (45°) to the curb" so said section as amended shall read as follows:

SECT. 2. Whenever the driver of any vehicle intends to leave his seat or stop more than five minutes on any street except as provided in Sec. 14 he shall park such vehicle parallel to and within six (6) inches of the curb line, (except on the west side of Main Street between Capitol and Park Streets when he shall back-in said vehicle so it shall stand at an angle of forty-five degrees (45°) to the curb.)

Further amend said Article IV, Sec. 3 (a) by adding after the word "minutes" the following "and parking between Capitol Street and Center and Bridge Streets shall be restricted to two hours" so said sub section as amended shall read as follows:

SECT. 3. (a) The parking on Main Street from Freight Street to Capitol Street shall be restricted to sixty (60) minutes; (and parking between Capitol Street and Center and Bridge Streets shall be restricted to two hours.)

SECT. 2. This ordinance shall take effect April 15, 1927.

Passed April 11, 1927.

AN ORDINANCE: IN AMENDMENT OF CHAPTER XLIII OF THE REVISED ORDINANCES.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Chapter XLIII, Section 1, clause (a) of the Revised Ordinances by striking out the word "twenty-five" in the second line and substituting the words "one hundred" so said clause as amended shall read as follows:

(a) City Treasurer, twelve hundred dollars per annum;

treasurer of cemeteries, one hundred dollars per annum.

Amend clause (d) of said Section 1 by striking out the word "eight" and substituting the word "ten" so said Clause as amended shall read as follows:

(d) City Solicitor, ten hundred dollars per annum.

Amend Clause (r) of said Section by striking out the word "thirty-three" and substituting the word "thirty-five" so said clause as amended shall read as follows:

(r) City Engineer, thirty-five hundred dollars per annum.

Amend clause (rr) of said Section 1 by striking out the word "eighteen" and substituting the word "nineteen" so said clause as amended shall read as follows:

(rr) Assistant city engineer, nineteen hundred dollars per annum.

SECT. 2. Amend clause (e) of Section 2 of said Chapter XLIII by striking out the words "eleven hundred forty" and substituting the words "twelve hundred forty-eight plus overtime at five dollars per week" so said clause as amended shall read as follows:

(e) Janitor, twelve hundred forty-eight dollars per annum plus overtime at five dollars per week.

Amend clause (f) of said Section 2 by striking out the word "nineteen" in the first line and substituting the word "twenty-one" so said clause as amended shall read as follows:

(f) Clerk in the office of the collector of taxes, twenty-one dollars per week. For part time clerks and other assistants a sum not exceeding one thousand dollars per annum.

SECT. 3. All ordinances and parts of ordinances inconsistent with this ordinance are hereby repealed and this ordinance shall take effect as of January 1, 1927.

Passed April 11, 1927.

AN ORDINANCE IN AMENDMENT OF SECTION 36 OF CHAPTER 40 OF THE REVISED ORDINANCES KNOWN AS THE BUILDING CODE.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Section 36 of Chapter 40 of the Revised Ordin-

ances is amended by striking out the whole thereof and substituting therefor the following:

SECT. 36. No person shall erect or remodel a building located within the city limits, whether the same be within the fire limits or otherwise, to be used as a public garage, steam mill, furnace, foundry, blacksmith's shop, vulcanizing plant, or dry cleansing plant, or house for storing powder or other explosives, without a permit granted by the building inspector. No permit for the erection or remodeling of a building to be used for any of the purposes named shall be granted by the building inspector until the owner has filed with the building inspector a written certificate stating that the owner has received a license therefor from the board of mayor and aldermen and no building already erected shall be used and occupied for any of the above-named purposes unless a license to so occupy has been granted by the board of mayor and aldermen; and the building inspector shall have power to order such changes in existing buildings for the above-named purposes as he may deem necessary.

SECT. 2. All ordinances and parts of ordinances inconsistent with this ordinance shall take effect upon its passage.

Passed, April 25, 1927.

AN ORDINANCE—IN AMENDMENT OF CHAPTER XLI OF THE REVISED ORDINANCES.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Chapter XLI, Article IV, of the Revised Ordinances as amended March 14 and April 11, 1927, by striking out the whole of Section 2 and inserting the following:

SECT. 2. Whenever the driver of any vehicle intends to leave his seat or stop more than five minutes on Main street, between Center and Freight streets, he shall drive such vehicle until it shall stand with its right front wheel as nearly as possible to the curb and shall stand at an angle of forty-five degrees (45°) to the curb.

Further amend said Article IV by striking out the whole of Section 3, (a), and inserting the following:

(a) The parking on Main street from Center street to Freight street shall be restricted to two hours, from six (6) o'clock a. m. to six-thirty (6.30) o'clock p. m. and from six-thirty (6.30) to midnight time unlimited, except in front of the Main street entrance to the Endicott Hotel which shall be restricted to fifteen minutes and no parking in front of the entrance to the Eagle Hotel.

Further amend said Article IV, Section 3, by adding the following which shall be numbered (aa):

(aa) On the south side of Pleasant Street Extension east of the Endicott Hotel entrance shall be for public parking, time unlimited.

SECT. 2. This ordinance shall take effect upon its passage. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

Passed, May 9, 1927.

AN ORDINANCE: IN AMENDMENT OF CHAPTER 43 OF THE REVISED ORDINANCE OF 1926.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Section 1, Chapter 43 of the Revised Ordinances of 1926 by inserting therein immediately after sub-section (m) the following: (mm) Milk Inspector, eighteen hundred dollars per annum.

SECT. 2. All ordinances and parts of ordinances inconsistent with this ordinance are hereby repealed and this ordinance shall take effect as of April 1, 1927.

Passed June 13, 1927.

AN ORDINANCE: IN AMENDMENT OF CHAPTER 40 OF THE REVISED ORDINANCES DEFINING THE FIRE LIMITS.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Section 3 of Chapter 40 of the Revised

Ordinances by striking out all of the first paragraph which follows the semi-colon in the thirtieth line of said paragraph and substituting therefor the following: thence southerly on a line 200 feet west of and parallel with the westerly line of South Street to a point 200 feet south of the southerly line of Rockingham Street; thence easterly on a line 200 feet south of and parallel with the southerly line of Rockingham Street to a point 200 feet westerly of the westerly line of Donovan Street; thence southerly on a line 200 feet west of and parallel with the westerly of Donovan Street to a point 200 feet south of the southerly line of Wiggin Street; thence easterly on a line 200 feet south of and parallel with the southerly line of Wiggin Street extended to the track of the Boston and Maine Railroad; thence northerly by the track of the Boston and Maine Railroad to the point of beginning; so that said first paragraph of Section 3 as amended, shall read as follows:

SECT. 3. The following shall be and are hereby declared to be the fire limits: Beginning on the track of the Boston and Maine Railroad. Concord Division, at a point 200 feet northerly of the northerly line of Church Street extended; thence westerly on a line 200 feet north of the parallel with the northerly line of Church Street to a point 200 feet west of the westerly line of Rumford Street; thence southerly on a line 200 feet west of and parallel with the westerly line of Rumford Street to a point 200 feet north of and parallel with the northerly line of Beacon Street; thence westerly on a line 200 feet north of and parallel with the northerly line of Beacon Street to a point opposite the center of White Street; thence southerly by the centre line of White Street to the center line of Washington Street; thence westerly by the center line of Washington Street to the center line of Center Street; thence westerly by the center line of Center Street to a point 200 feet west of the westerly line of Liberty Street; thence southerly on a line 200 feet west of and parallel with the westerly line of Liberty Street to the center line of Pleasant Street; thence easterly by the center line of Pleasant Street to a point opposite the center line of Merrimack Street; thence southerly on the line of the center of Merrimack Street extended to a point 200 feet south of the southerly line of Pleasant Street; thence easterly on a Pleasant Street to a point 200 feet west of the westerly line of line 200 feet south of and parallel with the southerly line of

South Spring Street; thence southerly on a line 200 feet west of and parallel with the westerly line of South Spring Street to a point 200 feet south of the southerly line of Avon Street; thence easterly on a line 200 feet south of and parallel with the southerly line of Avon Street to a point 200 feet west of the westerly line of South Street; thence southerly on a line 200 feet west of and parallel with the westerly line of South Street to a point 200 feet south of the southerly line of Rockingham Street; thence easterly on a line 200 feet south of and parallel with the southerly line of Rockingham Street to a point 200 feet westerly of the westerly line of Donovan Street; thence southerly on a line 200 feet west of and parallel with the westerly line of Donovan Street to a point 200 feet south of the southerly line of Wiggin Street; thence easterly on a line 200 feet South of and parallel with the southerly line of Wiggin Street extended to the track of the Boston and Maine Railroad; thence northly by the track of the Boston & Maine Railroad to the point of beginning.

SECT. 2. All ordinances and parts of ordinances inconsistent with this ordinance are hereby repealed, and this ordinance shall take effect upon its passage.

Passed June 13, 1927.

AN ORDINANCE: IN AMENDMENT OF CHAPTER 6 OF THE REVISED ORDINANCE RELATING TO STREETS AND PUBLIC PLACES, AND ABUSES THEREIN.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. Amend Section 12 of Chapter 6 of the Revised Ordinances by adding to the last sentence thereof the following: but no permit shall be allowed for a gasoline pump upon that portion of Main Street between Freight Street and Center Street, so that the last sentence of said section as amended shall read as follows: "The foregoing provisions shall not apply to gasoline pumps erected under a permit from the Board of Public Works, but no permit shall be allowed for a gasoline pump upon that portion of Main Street between Freight Street and Center Street.

SECT. 2. All ordinances and parts of ordinances inconsistent with this ordinance or hereby repealed and this ordinance shall take effect upon its passage.

Passed June 13, 1927.

RESOLUTIONS

RESOLUTION: IN RELATION TO THE PROPOSED LIGHTING SYSTEM.
*Resolved by the Board of Aldermen of the City of Concord,
as follows:*

That the action of the Board of Public Works at the meeting held March 9 whereby they voted to adopt a new lighting system be approved and that the Mayor be authorized in behalf of the city to sign a rider with the Concord Electric Company covering the same, said rider to be attached to the original contract between the Concord Electric Company and the City of Concord.

Passed March 14, 1927.

RESOLUTION: AUTHORIZING THE PURCHASE OF ADDITIONAL LAND
FOR MAPLE GROVE CEMETERY.

*Resolved by the Board of Aldermen of the City of Concord,
as follows:*

That the Cemetery Commissioners be and hereby are, authorized to buy additional land for Maple Grove Cemetery.

The purchase price for land to be charged to the appropriation for Cemeteries.

Passed March 14, 1927.

RESOLUTION: AUTHORIZING THE MAYOR TO EXECUTE A QUITCLAIM
DEED TO PROPERTY FORMERLY OWNED BY LUCRETIA R. FAR-
RINGTON.

*Resolved by the Board of Aldermen of the City of Concord,
as follows:*

That the Mayor is hereby authorized to execute a quitclaim

deed of property formerly belonging to Lucretia R. Farrington, Ward Eight, being Lot W. S. Pembroke Road 4604, Map C sold to the city for taxes, at a price to include all taxes and costs assessed against said property which amounts to eleven and 02 100 dollars (\$11.02).

The deed to this property to be made out in the name of Warren R. Foote.

Passed March 14, 1927.

RESOLUTION—FIXING AND DETERMINING THE AMOUNT OF MONEY TO BE RAISED FOR THE ENSUING FINANCIAL YEAR FOR THE USE OF THE CITY.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. There shall be raised and there is hereby ordered to be raised on the polls and ratable estates within said city, the sum of three hundred forty-four thousand nine hundred dollars (\$344,900) to defray the necessary expenses and charges of the city for the ensuing financial year, which, together with the sums which may be raised by taxes on railroads and from other sources, shall be appropriated as follows:

SECTION 2. There shall be raised and there is hereby ordered to be raised, a tax of three and 50-100 dollars (\$3.50) on each thousand dollars of the value of the ratable estates taxable within said city for the support of the public schools which, together with the income of the Abial Walker fund shall be appropriated and divided among the school districts according to the valuation thereof.

There shall also be raised a sum equal to two dollars (\$2.00) for each child residing in the city who was enrolled in the

public schools in the last preceding school year.

SECT. 3. In addition to the foregoing there is appropriated for the cemeteries of the city one-third of the income from the sale of lots and the income derived for the care of lots and grading, which sum shall be deposited by the superintendent, or others receiving them, in the City treasury. The care of lots for which the city holds trust funds shall be paid from the money appropriated for the care of cemeteries, and so much of the income of these trust funds as may be thus expended shall be deposited in the city treasury at the close of the year, and the remainder in each instance credited to the individual fund.

SECT. 4. In addition to the foregoing there is appropriated for the use of the Public Library the income derived from the Public Library Trust Funds.

SECT. 5. This resolution shall take effect upon its passage.

Passed: April 11, 1927.

RESOLUTION—FIXING AND DETERMINING THE AMOUNT OF MONEY TO BE RAISED ON THE TAXABLE PROPERTY AND INHABITANTS WITHIN THE LIMITS OF THE SEWERAGE PRECINCT FOR THE ENSUING FINANCIAL YEAR.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. There shall be raised and there is hereby ordered to be raised, on the polls and ratable estates within the sewerage precinct of said city, the sum of eighteen hundred and seventy-five dollars (\$1,875) to defray the necessary expenses and charges of said precinct for the ensuing financial year which shall be appropriated as follows:

| | |
|---|------------|
| For the payment of interest that may become due on precinct bonds | \$1,875.00 |
|---|------------|

SECT. 2. This resolution shall take effect upon its passage.

Passed: April 11, 1927.

RESOLUTION: APPROPRIATING ADDITIONAL MONEY FOR THE TWO HUNDREDTH ANNIVERSARY OF THE SETTLEMENT OF CONCORD.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the sum of fifteen hundred (\$1,500) be, and the same

hereby is, appropriated out of any money in the treasury not otherwise appropriated for the Two Hundredth Anniversary of the Settlement of Concord this being in addition to the amount already appropriated.

Passed June 1, 1927.

RESOLUTION: CONFIRMING THE SALE OF \$117,000 BONDS PART OF AN ISSUE OF \$550,000 BONDS AUTHORIZED BY AN ACT APPROVED 26TH FEBRUARY, 1925 AND BY A RESOLUTION OF THE BOARD OF ALDERMEN PASSED 12TH OCTOBER 1925.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. That the sale by the City Treasurer to E. H. Rollins & Son at the price of \$103.14 and accrued interest of \$117,000 School Bonds of the City issued on account of Union School District, bearing interest at the rate of 4 1-4 per cent and maturing \$3000 thereof in each of the years 1927 to 1965 inclusive, being part of an issue of \$550,000 bonds, authorized by an act approved 26th February 1925 and by a resolution of the board passed the 12th October 1925, be and the same is hereby approved and confirmed.

Passed June 1, 1927.

RESOLUTION APPROPRIATING MONEY TO PAY TAXES ASSESSED IN 1926 ON NON-RESIDENT REAL ESTATE SOLD TO THE CITY OF CONCORD FOR UNPAID TAXES.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. That the sum of ten and 84|100 dollars (\$10.84) be, and the same is hereby, appropriated out of any money in the treasury not otherwise appropriated to pay taxes assessed in 1926 on non-resident real estate sold to the city for unpaid taxes as follows:

| | |
|-------------|--------|
| 1919 Taxes, | \$.28 |
| 1924 Taxes, | 2.11 |
| 1925 Taxes, | 8.45 |

\$10.84

SECT. 2. That the city treasurer is hereby authorized to pay to the collector of taxes said amount of ten and 84|100 dollars (\$10.84).

SECT. 3. This resolution shall take effect upon its passage.
Passed June 13, 1927.

RESOLUTIONS APPROPRIATING MONEY TO PAY TAXES ASSESSED IN 1926 ON RESIDENT REAL ESTATE SOLD TO THE CITY OF CONCORD FOR UNPAID TAXES.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. That the sum of six hundred sixty-six and 03|100 dollars (\$666.03) be, and the same is hereby, appropriated out of any money in the treasury not otherwise appropriated, to pay taxes assessed in 1926 on resident real estate sold to the city for unpaid taxes as follows:

| | |
|-------------|----------|
| 1922 Taxes, | \$21.71 |
| 1923 Taxes, | 102.71 |
| 1924 Taxes, | 214.15 |
| 1925 Taxes, | 327.46 |
| | <hr/> |
| | \$666.03 |

SECT. 2. That the city treasurer is hereby authorized to pay to the collector of taxes said amount of six hundred sixty-six and 03|100 dollars (\$666.03).

SECT. 3. This resolution shall take effect upon its passage.
Passed June 13, 1927.

RESOLUTIONS AUTHORIZING THE MAYOR TO EXECUTE A QUITCLAIM DEED TO PROPERTY FORMERLY OWNED BY MRS. EVA M. CURTIS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Mayor is hereby authorized to execute a quitclaim deed of property formerly owned by Mrs Eva M. Curtis, Ward Seven, being Lots No. 11 and 12, Rumford Park, sold to the city for taxes, at a price to include all taxes and costs assessed

against said property which amounts to seventy-four and 26/100 dollars (\$74.26).

The deed to this property to made out in the name of Arthur J. Curtis.

Passed June 13, 1927.

RESOLUTION: IN RELATION TO THE WHITE PROPERTY.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the White House and grounds, owned by the City of Concord and situated on Capitol Street in said Concord, be given to the American Legion and Auxiliary for their use, without payment of rental, until such time as the City may desire said property for the purpose of a library, or for other purpose, and that the Mayor be authorized to make the necessary contract with the Legion for the use of said property.

Passed July 11, 1927.

RESOLUTIONS AUTHORIZING THE REFUNDING OF THE NOTES GIVEN IN PAYMENT FOR THE ARMENIA S. WHITE PROPERTY.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Mayor and the City Treasurer be authorized with the approval of the Finance Committee to sign, execute and deliver in behalf of the City promissory notes of the City upon one year's time at four and three-quarters per centum interest, for the payment and refunding of the three notes maturing July 29, 1927, which were given under resolution passed July 22, 1926, in payment for the Armenia S. White property, said notes being for \$20,000, \$10,000 and \$7,376.30 respectively.

Passed July 11, 1927.

RESOLUTION: APPROPRIATING FORTY-THREE HUNDRED FIFTY-ONE AND 84-100 DOLLARS TO PAY FOR REAL ESTATE SOLD TO THE CITY OF CONCORD FOR UNPAID TAXES FOR THE YEAR 1926.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the sum of forty-three hundred fifty-one and 84-100 dollars (\$4,351.84) be, and the same hereby is, appropriated out

of any money in the treasury not otherwise appropriated, to pay the amount due to the City of Concord for real estate purchased at the tax collector's sale of real estate for the unpaid taxes for the year 1926.

Passed July 11, 1927.

RESOLUTION: ASKING FOR BIDS FOR PRINTING THE HISTORICAL ADDRESS OF THE CITY OF CONCORD.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Committee on Finance procure estimates for the printing in pamphlet form of one thousand copies of the Historical Address of the City of Concord written by Miss Frances M. Abbott and have the same printed. Said printing to be charged to the account of Printing and Stationery.

Passed July 11, 1927.

RESOLUTION: AUTHORIZING THE MAYOR TO GIVE A DEED OF FOUR LOTS IN JONES PARK.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Mayor be, and hereby is, authorized to give, without consideration other than the payment of back taxes already paid to the city, a quitclaim deed of the city's interest in lots 103, 104, 105 and 106 in Jones Park in Ward 8.

Passed Aug. 8, 1927.

RESOLUTION: TO SET ASIDE CERTAIN LAND BELONGING TO THE CITY ON THE PLAINS FOR AIRPORT USE.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That all land now belonging, or which may be hereafter owned by the City as shown on Map C., City Engineer's plan, within the boundaries as follows: Beginning on the Canterbury road at a point approximately 1,000 feet south of the Branch Turnpike, thence southerly about 1,400 feet along said road, thence

south easterly about 1100 feet, thence northerly about 2200 feet, thence westerly about 900 feet to the point begun at, and including whatever rights the city has in and to the streets shown on said plan within the above described area, be and hereby is set aside for use in connection with the Concord Airport, and the Concord Airport Corporation is hereby authorized to take custody of said land and to improve it for said use without expense to the City, under the following condition, that if this land and the present Concord Airport is abandoned as an active airport this land shall revert to the City for such use as it cares to make of it.

Passed Sept. 12, 1927.

RESOLUTIONS AUTHORIZING THE MAYOR TO EXECUTE A QUITCLAIM DEED TO PROPERTY FORMERLY OWNED BY THE W. E. CHANDLER ESTATE AND JOHN D. BRIDGE EXC.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the mayor is hereby authorized to execute a quitclaim deed of property formerly belonging to the W. E. Chandler Estate and John D. Bridge, Exc., Ward Eight, being fourteen lots w/s So. Pembroke Road, No. 4421, Map C, and 1-2 undivided land So. Pembroke Road No. 4485, Map C. sold to the city for taxes at a price to include all taxes and costs assessed against said property which amounts to seventy-seven and 08-100 dollars (\$77.08).

The deed to this property to be made out in the name of Edward E. Plummer.

Passed Oct. 10, 1927.

RESOLUTION: AUTHORIZING ALDERMAN BROWN TO PROCURE A DEED TO THE PROPERTY OWNED BY THE WILLIAM H. AHERN ESTATE.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That Alderman Brown be and hereby is authorized to procure in behalf of the City of Concord a deed to a piece of property located on the proposed High Street Extension owned

by the William H. Ahern Estate and known as lot number 2243 as shown on the City Engineer's plan for a consideration of a sum not exceeding \$450 said sum to be charged to the appropriation of Incidentals and Land Damages.

Passed Oct. 10, 1927.

RESOLUTION: AUTHORIZING CERTAIN CONVEYANCES IN ORDER TO STRAIGHTEN THE NORTHERLY LINE OF THE WEST GARDEN.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the mayor be and hereby is authorized in behalf of the City of Concord to execute and deliver to George W. and Gustie J. Hanson a quit-claim deed of a portion of the land included in West Garden fronting four feet on North Main Street and extending to a depth of ninety-one and six tenths feet from said street in exchange for a quitclaim deed from the said Hansons to the City of Concord covering a tract adjacent to West Garden and directly in the rear of the strip above mentioned, said last tract being approximately twenty-four feet by thirty-six feet.

Be it further resolved that the mayor be authorized in behalf of the City to execute and deliver a quitclaim deed to Edward W. Rollins, Henry W. Stevens and Benjamin W. Couch, Trustees under the will of Frank W. Rollins of such reversionary rights in the last named tract as are reserved to the Frank W. Rollins Estate in the deed under which the City of Concord holds title to the West Garden.

Passed Oct. 18, 1927.

RESOLUTION: APPROPRIATING MONEY FOR DEFICITS IN THE SEVERAL DEPARTMENTS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. That the sum of eighteen thousand three hundred twenty-two and 91-100 dollars (\$18,322.91) be, and hereby

is, appropriated out of any money in the treasury not otherwise appropriated, to pay outstanding claims as follows:

| Sewers | 564.92 |
| Trees | 132.29 |
| | \$18,322.91 |

SECT. 2. That there be transferred to the appropriation for Engineering Department for the year 1927, the sum of eighty-two cents (\$.82), the same being the earnings of this department.

SECT. 3 That there be transferred to the appropriation for Parks for the year 1927, the sum of thirty-six dollars (\$36.00), the same being the earnings of this department.

SECT. 4. That there be transferred to the appropriation for Police and Watch for the year 1927, the sum of eleven hundred thirty-four and 50-100 dollars (\$1,134.50), the same being the earnings of this department.

SECT. 5. That there be transferred to the appropriation for Roads and Bridges for the year 1927, the sum of ninety-six hundred sixty-three and 03-100 dollars (\$9,663.03), the same being the earnings of this department.

SECT. 6. That there be transferred to the appropriation for Sewers for the year 1927, the sum of sixteen hundred one and 83-100 dollars (\$1,601.83), the same being the earnings of this department.

SECT. 7. That there be transferred to the appropriation for Trees for the year 1927, the sum of seventy-seven dollars (\$77.00), the same being the earnings of this department.

SECT. 8. That there be transferred to the appropriation for Sprinkling Streets for the year 1927, the sum of twelve and 82-100 dollars (\$12.82), the same being the earnings of this department.

SECT. 9. This resolution shall take effect upon its passage.

Passed January 9, 1928.

RESOLUTION: AUTHORIZING THE APPROPRIATION OF INCOME FROM THE BENJAMIN A. KIMBALL FUND AND THE HENRY A. KIMBALL FUND TO THE BUILDING FUND OF THE PUBLIC LIBRARY.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the sum of sixty-two hundred dollars being a portion of the income of the Benjamin A. Kimball Fund for 1927, and the sum of seven hundred thirty-two and 47-100 dollars, being a portion of the income of the Henry A. Kimball Fund for 1927, be and the same hereby are appropriated to a fund for improvement of Public Library facilities, the same to be expended by the trustees of the Public Library for additions or new construction or land or such other purpose as they may deem best in connection with enlarging or improving Public Library facilities; and until the sums so appropriated are called for by the said trustees they are to be invested by the Trustees of Trust Funds and the income allowed to accumulate.

Passed January 9, 1928.

RESOLUTION DONATING THE SUM OF TWENTY-FIVE DOLLARS OUT OF THE INCOME FROM THE DAVID OSGOOD TRUST.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. That the sum of twenty-five dollars (\$25) be hereby donated out of the income from the David Osgood trust, to the poor children of the French Parochial School, who are

inhabitants of the City of Concord, for the purpose of buying school books for said children.

SECT. 2. That said sum of twenty-five dollars (\$25) be paid to and expended under the direction of the principal of said school.

SECT. 3. This resolution shall take effect upon its passage.
Passed January 9, 1928.

RESOLUTION: IN RELATION TO PAYING SALARIES, PAY-ROLLS AND RENTS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Mayor be, and hereby is, authorized to draw his warrant on the city treasurer for the payment of all salaries, pay-rolls and rents as the same shall become due during the present municipal term, and all bills so paid shall be laid before the Committee on Accounts and Claims at the next meeting.

Passed January 24, 1928.

RESOLUTION: PROVIDING FOR PRINTING OF THE ROSTER OF THE CITY GOVERNMENT.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the city clerk be instructed to prepare a roster of the present city government and cause copies to be printed, and that the expense of printing the same shall be charged to the account of printing and stationery.

Passed January 24, 1928.

RESOLUTION: ASKING FOR SEALED PROPOSALS FOR PRINTING AND BINDING THE ANNUAL CITY REPORTS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the city clerk be, and hereby is, instructed to ask for sealed proposals for printing and binding the city reports for

the year 1927 and submit the same to the Finance Committee who shall have full power to act in the matter.

Passed January 24, 1928.

RESOLUTION: IN RELATION TO A TEMPORARY LOAN NOT EXCEEDING SIX HUNDRED THOUSAND DOLLARS (\$600,000).

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Committee on Finance is hereby authorized to borrow on the credit of the City the sum not to exceed six hundred thousand dollars (\$600,000) for expenses in anticipation of taxes for the municipal year 1928 and to issue notes of the city therefor upon such terms and for such amounts as the committee shall determine. The said loan is to be payable from the taxes for the said municipal year, and the said Committee on Finance is hereby authorized to refund all or any of the said notes at their maturity; provided, however, that the refunding notes shall be payable within one year after the date of the incurrence of the debt represented by the note or notes refunded.

Passed January 24, 1928.

MAYORS OF CITY OF CONCORD

The original charter of the city was adopted by the inhabitants March 10, 1853, and until 1880 the Mayor was elected annually. Since 1880 the Mayor has been elected for two years at each biennial election in November. Under the City Charter, adopted May 11, 1909, the Mayor was elected in December, 1910, for one year, and biennially thereafter in November beginning in the year 1911.

HON. FRED NATHAN MARDEN
Inaugurated Mayor January 26, 1926
Born July 10, 1865
Died November 23, 1927

IN MEMORIAM

Whereas, our Heavenly Father in his infinite wisdom, has called from this life the Hon. Fred Nathan Marden, Mayor of the City of Concord, therefore be it

Resolved, that the members of the Board of Aldermen of the City of Concord, hereby record our profound sense of personal loss in the death of Mayor Marden, whose untimely passing in the midst of a vigorous and successful administration of our municipal affairs, brings sadness to our hearts and to all citizens of the community, and be it

Resolved, that Mayor Marden has endeared himself to the members of the Board of Aldermen by his sincere and genial spirit of friendliness and co-operation, and has performed the many duties that devolved upon him, with credit, fidelity, and an unselfish devotion for the welfare of his fellow men, and the best interests of the City of Concord, and be it further

Resolved, that these resolutions be spread upon the official records of the Board of Aldermen, and a copy sent to the family of Mayor Marden.

In Board of Aldermen December 12, 1927. Adopted.

REPORT OF BOARD OF EDUCATION*To the Inhabitants of Union School District:*

The matter of outstanding interest in the past year has been the completion and occupancy of the new High School building. This building has now been in use long enough to afford a correct idea of its usability for the purposes for which it was designed. It is not too much to say it has met, perhaps exceeded, expectations. Some suggestions as to its physical aspects may not be out of order. The building is 282 feet long and 65 feet wide. All corridors, all stairways, the locker rooms and toilets are of fireproof construction. It has 23 class-rooms, besides two study rooms that will accommodate 70 pupils each at a time. These study rooms already have demonstrated their great value, permitting classroom work only in the other rooms.

Special attention should be called to the double gymnasium, 66 by 80 feet, with a gallery of 256 seats, suitable and used for social events as well as the formal athletic activities. According to the present schedule, every student in the High School has athletic or physical drill here once or more times a week, after which resort is had to the shower baths adjoining. Under the supervision of Mrs. Ross, Dean, the girls have equal opportunities with the boys in the gymnasium of which they seem to avail themselves eagerly.

The music room, with space for 50 seats, is an innovation of greatest value, and the special classrooms, with equipment, which accommodate the chemical and physical laboratories and the domestic science department, are adequate in every way.

Our library is in dimensions 52 by 25 feet, is well lighted, and in constant use.

The lunch room arrangements are highly satisfactory.

The department accommodates about 250 boys and 250 girls each day. Only one-half hour is now provided for the lunch period. This seems however, on a careful check-up, to provide ample time for the purpose. If a further try-out proves otherwise, the Board is willing to reconsider the matter of the length of time that should constitute the lunch period.

It should be said of the auditorium, seating about 900, that it gives promise of being a useful adjunct to the community. On several public occasions, it has been taxed to its capacity.

Our conclusion is, then, that the new High School building is altogether satisfactory from the utilitarian point of view; it is, moreover, an additional pleasure to bear testimony to the response to new conditions prevailing in the High School. We believe that at no time, for many years past, has better work been done, or has better morale prevailed, than at present.

We desire to add one word more concerning the new High School. The building and construction work has been throughout mainly done under the supervision of Mr. George W. Griffin, one of our local architects, and we commend unreservedly to the District the high degree of interest and integrity with which he has carried on the project.

While the Board of Education is a part only of the Building Committee, to which was committed the duty of erecting and equipping the new High School, we believe it will be in order to present a financial statement of the building operations. For the purpose of the new High School, the sum of \$550,000 was voted. Upon the sale of the bonds, a premium of \$7612.20 was realized, making a total at the disposal of the Committee of \$557,612.20.

The expenditures, without going into details, are as follows:

| | |
|---|--------------|
| L. H. Shattuck, Inc., the general contractor, | \$408,519.41 |
| Edwin S. Parker Company, | 4,015.00 |
| Laboratory equipment, | 690.00 |
| Furniture and equipment, | 31,871.56 |
| Architects' fees and travelling expenses, | 26,181.12 |
| Engineers' fees and travelling expenses, | 2,524.51 |
| Cost of site, | 70,000.00 |
| Contractor's bond | 6,133.74 |
| Concord Wiring and Supply Co. | 190.05 |
| Stage curtain | 775.00 |
| Kitchen grills, | 98.50 |
| Sundry small items, | 754.56 |
| | <hr/> |
| Total, | \$551,753.45 |

This leaves an unexpended balance of \$5,858.75. There are, however, a number of other items of necessary equipment yet to be provided, that will materially reduce or perhaps extinguish this balance.

The problem of grading the school grounds is at hand. At our request, Mr. Griffin has made a careful examination into the cost of this operation, and advises us that a thorough job on and about the grounds would shape up as follows:

| | |
|---|------------|
| Concrete walk on streets | \$4,235.00 |
| Concrete curb and gutters in streets, | 5,195.00 |
| Concrete steps and buttresses to play area, | 1,120.00 |
| Concrete walks from gymnasium, | 303.00 |
| Tar concrete for driveway, | 3,362.00 |
| Rough grading of site ready for loam, | 5,860.00 |
| Loam, seeding and turfing, | 17,308.00 |

| | |
|--------------------------|-------------|
| Allowance for plantings, | 1,000.00 |
| Architects' fees | 1,919.00 |
| | <hr/> |
| Total, | \$40,302.00 |

It is obvious that not all this work has to be done in a single year; and it may be that the city's program of sidewalk construction would obviate the District's going to the expense of certain of these items,—but we do seriously urge upon the District that at the forthcoming Annual Meeting, adequate provision be made for putting into proper condition the grounds about the new High School building.

The necessity for a new school building in the South End of the city has developed sooner than was expected. We call especial attention to the report of the Superintendent bearing upon the attendance in this locality, and other phases pertinent to the issue. The District already owns what we believe to be a beautiful and commodious lot of eight acres, formerly a part of the Page Farm. A school on this site would draw from the whole territory south of West and Clinton Streets. The schools now in this area are badly over-crowded, and it seems that the only wise course is the immediate building of a new grade school on the site now owned. It may be of interest to know that in about two years nearly fifty new residences have been erected in the area suggested, and other important developments are being undertaken. There seems to be impressive evidence of the rapid growth of this section of the city, and the attendant out-growing of present school facilities.

We have attempted to have a careful estimate made of the cost of an adequate grade building, and basing our report to the District on the estimate and recommendation of Frank I. Cooper, Corporation Architect of Boston,

Mass., we submit the cost to be about \$100,000. We confess we did not expect to have to go from one building operation to another in such a short space of time, but after careful consideration, we are obliged to recommend to the District that a vote be passed at the coming Annual Meeting to raise and appropriate a sum not less than \$100,000 to erect and equip forthwith a grade building on the Page Lot, so-called.

The question of an increase in salaries for certain of our teachers has been considered by us recently. Petitions from women teachers of both High School and Rundlett Junior High School caused us to look with them into a comparison of their salaries with those paid to teachers of the same grade in other cities of New Hampshire. To our surprise, we found our salaries paid were markedly lower than the average of New Hampshire cities. We have therefore, voted to re-adjust salaries of men in the High School, except the Head Master and Sub-Master, by increasing the maximum to \$2400, and to change the maximum salaries for women teachers in the Senior and Junior High Schools to \$1800 per year. It cannot be conceived that all teachers in both or either of these schools will at the same time receive the maximum salary, and it is estimated that such increase in the ultimate salary which a teacher in these grades may receive, according to the present salary payments, will mean an additional expense to the District of not more than \$2500 per year. We believe in this increase of salaries, because our teachers should have as much at least as the average paid for like services in New Hampshire, because these services, from any standard, should command as much compensation as represented by these figures, and because this District will not be poorer by the paying of such salaries to its teachers.

It has been a matter of frequent inquiry on our part

as to how the radical rearrangement of the grades this year has affected the school work throughout the District. It has, as often, been reported by the Superintendents that the use of the new High School building, the gathering into the old High School building of both year students of the Junior High School and the use of the Parker School for the Sixth Grade have given results most satisfactory in character.

This is likewise the judgment of the entire School Board.

Respectfully submitted,

Harry F. Lake, President
Dorothy B. Jackson
Merton C. Knapp
Bennett Batchelder
Elisabeth R. Elkins
Joseph S. Otis
Benjamin W. Couch
Grace A. Moulton
George A. Hill

REPORT OF TREASURER

UNION SCHOOL DISTRICT

CONCORD, N. H.

March 14, 1927 to March 9, 1928

H. L. ALEXANDER, *Treasurer*

APPROPRIATIONS

REPORT OF SUPERINTENDENT

To the Honorable Board of Education of Union School District:

The submission of my forty-second annual report of the schools of this district, the seventieth of its series, calls to mind the calm efficiency with which school work is being conducted, the progressive spirit manifested by the teachers and the definite accomplishments that are resultants.

National movements in education are becoming more pronounced each succeeding year. These are summarized under different heads, the social and the economic being not the least interesting.

The great problem now is not the education of the country child but that of the city child. The inordinately high percentage of urban population has caused the reversal of the question.

This condition gives rise to perplexing conditions and the doing of one third of the child's waking hours does not keep adequate pace with the undoing of the other two thirds.

Habit formation in youth is a general objective that is sure to occupy the mind of the conscientious educator of the immediate future.

From national sources we find that the following subjects are being carefully considered:

1—Smaller administrative bodies exemplifying central and unified control.

2—The better construction and equipment of school buildings.

3—The more economic use of school buildings.

4—A closer relation between educational efficiency and financial economy.

5—A more careful adjustment of salary schedules.

6—The professional improvement of teachers in service.

A most interesting report upon the length of elementary education has been made by the Committee of ten noted Educators, Charles H. Judd, Chairman, sponsored by the Commonwealth Fund. The conclusion reached by this very efficient committee is that the elementary course should be reduced to six years.

Coincident with this is the consideration given by the United States Commissioner of Education, in his Annual Report, to the shortening of the general course as it is now taken in schools generally.

The aim of the State Department of Education to extend the course of Normal instruction to four years is commendable. Such a scheme would raise the plane of secondary teaching far beyond what it is at present.

The Cost of the Schools

The maintenance of the public schools in this district causes the appropriation of a large sum of money each year.

This is justified not only by the results accomplished in the schools but also by the unusual opportunities offered pupils in the various phases of work laid out.

Taking into account the comparisons made in seventy cities of from 10,000 to 30,000 population by the U. S. Bureau of Education we find that:

| | | |
|--|----------------|----|
| The cost per pupil for all current expenses | Concord school | 10 |
| Percent of cost for general control | " " | 35 |
| " " total, Instruction in day schools | " " | 49 |
| " " " , Operation plant | " " | 45 |
| " " " , Maintenance of plant | " " | 60 |
| " " " , Coordinate activities and auxiliary agencies | " " | 6 |
| " " " , Fixed charges | " " | 16 |

The average cost per pupil in the U. S. is \$100. per year.

The reorganization of the schools has tended to reduce the expenditures, by decreasing the number of teachers required, as well as costs for fuel, water, electricity, school supplies etc:

Public conscience seems to have become dulled in regard to the expenditure of public money. The value of a dollar remains the same whether it be publicly or privately owned. Its purchasing power is presumably the same. Its expenditure should be one of great concern.

Transportation of pupils

This is one of the largest items of expenditure in the school budget. At the present writing the following routes are in operation:

| | No. Pupils |
|---|---------------|
| 1—West Concord to the city proper, by Electric Road | 97 |
| 2—Carter Hill to Riverhill, by team | 3 |
| 3—Hot Hole Pond District to the Mountain School and Golf Siding, by auto and team | 13 |
| 4—West Parish to Millville School, by auto | 3 |
| 5—Loudon Road to Harriet P. Dame School, by auto bus | 25 |
| 6—Concord Heights to Junior & Senior High Schools, by auto bus | 50 |
| 7—Diamond Hill to Junior & Senior High Schools, by auto bus | 32 |
| 8—Silver Hill, Iron Works, to Junior & Senior High Schools, by auto bus | 27 |
| 9—Black Hill to Elementary, Junior & Senior High Schools, by bus | 20 |
| 10—Old Turnpike Road to city schools, by auto & team | 1 |

| | |
|---|-------------|
| 11—Turtle-town District to Eastman School, by auto & team | 13 |
| 12—East Concord to Junior & Senior High Schools, by auto bus | 55 |
| The number of pupils carried | 339 |
| The cost of transportation for 1927-1928 | \$15,590.16 |
| The average yearly cost per pupil | \$45.98 |

The proper administration of this work alone consumes a large amount of the Superintendent's time and energy.

Strict rules for carrying pupils are necessary and must be faithfully enforced to guard the physical safety and the moral welfare of the pupils.

School Attendance

Providing adequate housing for pupils in congested areas is still a problem. Increased building activity at Concord Heights and in that part of the city below Pillsbury Street forecast the necessity for future school building construction.

The south part of the city needs a building that will provide the pupils in that section better school accommodations. This has been apparent for a number of years yet the demand continues to grow. The District now owns a lot entirely adequate for a modern building, geographically situated for the best accommodation of the population there. If a building is to be erected it should embody all modern conveniences and subscribe to the requirements of the platoon system which is educationally and economically sound.

The school attendance seems to be gaining from seventy-five to one hundred pupils a year.

During the first part of the year it was possible to discontinue the Chandler and the Franklin School Buildings. This was done for economy largely although the

Chandler building was unfitted in many ways for conducting schools under modern requirements. The lighting of the rooms was exceedingly poor, the stairways had no landings thus making egress from the building hazardous especially in case of fire and the size of the rooms was inordinately large causing the cost of heating to be needlessly great.

The location of the building was not such as to lend itself reasonably to transfers from other schools and it had been condemned by the State for many years.

The Franklin building is a good workable building in nearly every respect. The three schools in this building were not consecutive in grading nor of sufficient size to warrant their segregation from classes in other buildings. It is quite probable that in the near future it may be occupied again.

Reorganization

A reorganization of the schools was begun at the opening of the fall term of 1927. This was made possible by the erection and the occupation of the new high school building.

The Senior High School

The new senior high school building on North Fruit Street was occupied for the first time on Wednesday, September 7, 1927. This was accomplished with as little inconvenience as possible although much time was taken to make such adjustments as were needed. At present the educational machinery of the school is in successful working order.

The school was dedicated on the evening of Oct. 28, 1927. Citizens in large numbers were present and enthusiastic in their praise of what had been accomplished.

It is estimated that over two thousand passed through the building on that night.

Much remains to be done to make the building completely habitable. I have no doubt that the good sense of Concord's public will provide everything necessary in due season.

The physical education of the children called for the services of an instructor in this work. Miss Anderson, Dean of Girls, resigned at the end of the spring term. It was thought advisable to combine the work of the Dean with that of Physical Instructor. Mrs. Grace Ross was chosen for the position for which she was fully qualified and which she is filling successfully.

The teaching corps sustained usual annual changes. At the beginning of the year it was mutually agreed that closer cooperation be made between the teaching corps of the various schools thus enabling the teachers to learn of the attainments and general instructional methods in classes preceding and succeeding their respective grades.

The prime function of the high school is not, as many think, a fitting school for college entrance. This single, biased line of thought, produced entirely by tradition, is rapidly failing to maintain its position. The high school of today is what it should have been long ago — a truly representative democratic institution.

When such schools are relieved of the domination of customs and very faulty methods of instruction transmitted by the colleges, then decisive gain in school attainments will be in evidence.

The graduates of the Concord High School meet college entrance requirements with flattering success.

For the needs of the large majority of students there is demand for a broader and more intensive curriculum of studies, new texts, a more carefully adjusted credit sys-

tem, and, not the least, a stricter observance of equivalents in gaining points required for graduation. A rigidly enforced time limit for the making up of deficiencies is also necessary.

Rundlett Junior High School

Although this city was undoubtedly the second in the country to adopt the Junior High School scheme of organization in 1910, the plan here has necessarily been crude and comparatively inefficient because of lack of proper housing conditions. This year we have been given the opportunity for assembling all the junior high classes in the old high school building on North Spring Street.

Here we are able to realize all the conditions necessary for a good junior high school with the exception of proper yard and gymnasium facilities. This school now has a distinct two years course with all the required extra curriculum activities. Curriculum attainments are strengthened by having this course under the same corps of teachers for two successive years.

The course of study is effective comparing favorably with the best courses in other cities which were freely consulted in forming it.

The direction, and the teaching force of the school are exceptionally strong, the pupil body enthusiastic, and the equipment fairly well suited for accomplishing the required work.

The club activities are comprehensive and well developed.

The lunches at the noon recess are nutritious and well patronized.

The Parker School (elementary)

All the schools of the sixth elementary grade in the Rumford, Kimball, Walker and Garrison schools have

been consolidated in the Parker building. This grade of the Garrison school was transferred here on the advice of the teachers and with the unanimous consent of the parents.

There have been enrolled two hundred thirty-five pupils who have done enthusiastic, creditable work.

In the one and one-half hour noon recess the majority of the pupils are able to go home to dinner. A large number, however, remain at the school building where a limited but nutritious lunch is provided at a nominal cost.

The methods used in this school are modern and rational. All the different grades of pupils are carefully looked after in special groups. Advancement may be made at any time as conditions warrant.

Enough club activities are allowed to prepare the pupils for the broader field in this line of the Junior High School.

Progress is shown not only in these activities but also in the regular studies. The aim of this school is to furnish sufficient opportunity for study within the school and not to demand home study. This aim has been so far realized that outside work has been reduced to a negligible quantity.

Other Departments

The elementary grades have kept up their good work. Reorganization has improved their accomplishments through centralization and closer grading.

The Kindergartens have shown about the usual number of pupils in attendance. The real objective of a kindergarten to develop the child along natural lines showing an activity consonant with child life under such restraint as the best kindergartens demand, should not be lost sight of at any time.

The Dewey Training School has maintained its good

standing among State Institutions. The principal, under trying conditions of ill health, has kept the school up to its work.

This institution has always been and will be, one of the controlling factors in the success of Concord's schools.

The departments of Mechanic Arts, Home Economics, Music, Medical Inspection, Physical Culture, School Attendance, have been conducted in a manner worthy of the confidence of the public.

Drawing for the years immediately preceding has not been up to the standard and it has not yet reached the degree of excellence that it will probably reach in the future.

The report of the Assistant Superintendent deserves your careful reading. His ability and tireless application to the duties of his office may well merit the confidence of all.

Summer School

The second yearly session of summer schools was held in the Kimball building last summer.

The attendance was not as large as that of last year but the work was noticeably good and the pupils gained much.

The school is not only a medium for improving the standing of many pupils but, through promotion, a distinct financial economic factor.

The economy is realized through keeping very many pupils up to grade thus saving the expenditure of a half-year's cost of retardation.

There were three schools with Mrs. Grace C. Kelly as Principal, and the Misses Regis E. Scully and Mary A. Degan, assistants.

STATISTICS

Average daily attendance 74.23. Average daily absence, 6.22. Average membership, 80.45. Percent of attendance, 92.24.

ROLL OF HONOR

Mrs. Kelley, Classes, J. K. L.

Dorothy Goss, Mildred Goss, Girard LeBrun, Theodore Noyes, Rita Pelkey, Thomas Roberts, Mildred St. Pierre.

Miss Scully, Classes G. H. I.

Raymond Cliche, Nathalie Foley, Bruno Matson, Cyrus Marden, Robert Marden, Edna Myrick, Herbert Stewart.

Miss DeGnan, Classes B. C. D. E. F.

Collins Carr, Damian Foley, Vernersia Hadley, Miriam F. Hall, Robert King, Richard Willey.

ELIZABETH MALONA MCAFEE

Miss McAfee, for many years identified with the schools of this district, was retired June 24, 1927. Miss McAfee, the first beneficiary under the new pension system, was born in Bedford, N. H. July 2, 1853.

Her teaching career, a statement of which follows, shows a long period of faithful efficient service.

Early experience—Four years in Bedford, Merrimack, and Reed's Ferry, N. H. She first taught in the schools of this district in September 1882 in the Centre Second Grammar School. In September 1888 she was transferred to the Chandler Second Grammar School. In

March 1890 she took charge of the seventh and eighth grades of the Kimball School. In September 1907 she was made principal of the Chandler School and from September 1916 to the time of her retirement she was special teacher in the Rumford School. Her early training for the profession of teaching is summed up as follows:

| | |
|--|------|
| Graduate of Lyman School, East Boston, Mass. | 1868 |
| Girls High and Normal School, Boston | 1870 |
| Graduate of the Framingham Normal School | 1874 |

Summer Schools

McGaw Institute Reeds Ferry, N. H. 1883.

State Normal School at Plymouth, N. H. 1888 and 1890.

Leave of Absence

Spring and Fall terms of 1886.

From 1910 to 1916.

Retired—June 24, 1927.

Miss McAfee was a teacher thoroughly equipped for her work, and a faithful, energetic self-sacrificing woman engaged in seeking to elevate mankind.

SCHOOL NEEDS

High School

A dividing curtain for the gymnasium.

Additional furniture for the lunch room.

Stage fitted with back curtain and scenery.

Grading of the lot.

Rundlett Junior High School

Yard room for supervised activities.

Gymnasium for inside physical activities.
 A moving picture machine.
 Additions to the library.

Parker School

Added volumes for library.
 Moving picture machine.

Harriet P. Damc School

The introduction of city water.
 Modern closet arrangements.

The Eastman School

The introduction of city water.
 Modern closet arrangements.

The South End

A new building for carrying into effect approved modern educational methods.

Morrill School

Expansion to include automobile repair.
 Enlargement of printing appliances.
 An opportunity class for ungraded boys.

SOME OF THE EVENTS OF THE YEAR

April 22—Health Day Exercises at high school.

May 6—Merrimack Valley Teachers Association at Manchester.

May 10—Entertainment at East Concord to buy volley ball and net.

13—Parents night at high school.

19—Miss Wheelock spoke to teachers.

19—Garrison School-Teachers night, Dr. Butterfield spoke.

19—Operetta at Walker School.

- 25—Dinner given by Practice House pupils as a project.
- 25—High School concert directed by Mr. Barnes.
- 27—High School play "Daddy Longlegs"
- June 2—Drawing exhibition supervised by Miss Magoon.
- 4—Dedication of monument to late Ass't Supt. Clayton.
- 8—Opportunity class tea at Practice House.
- July 0—Schools observe celebration of the one hundred fiftieth anniversary of the founding of Concord by an exhibition of work in the Parker School.
- 5—The President of the Board of Education, Mr. Lake, Mr. Batchelder, Supt. Rundlett, and the Teachers and some pupils of the Morrill School of Mechanic Arts all took part in the parade.
- 7—Reception to teachers at West Concord.
- 11—Summer schools began.
- Sept. 7—Schools begin.
- 8—General Meeting of teachers—annual event.
- Oct. 4—"Bill" Bartlett speaks to Junior High School pupils.
- 29—Dedication of new senior high school.
- Nov. 3—Teachers Social at high school.
- 22—Play given by girls of the high school "The Return of the Pilgrims."
- Dec. 2—Parents Day at the Rundlett Junior High School.
- 3—Banquet to Football Squad.
- 7—Commander Byrd lectured to 1300 school children.
- 12—Curtain for High School Auditorium voted by the Board of Education.
- 16—Kindergarten Christmas Exercises.

- Jan. —Traffic system for safety adopted in Walker School.
—A system of afternoon teas begun and served at Practice House.
—Club Day for Parents at Parker School.
—High School play at Senior High School.
—Physical Culture made a credit subject at High School.
- 27—High School Mid-year graduation.
- Feb. 7—Towels introduced at senior high school.
8—No session of school all day—slippery and unsafe.
16—Annual Prize Speaking Contest.
17—"Bill" Bartlett visited the Parker School and others.
25—State Vocational Conference at Morrill School.
25—New Senior High School building accepted by the Committee and turned over to the district.
27—Middlebury Glee Club sings at Senior High and Rundlett Junior High Schools.
- March 5—Petition for new school building at south end presented to the Board of Education.

Changing School Objectives

A school system should be distinguished by high efficiency brought about by a reasonably low cost.

School objectives are largely remedial in nature, as far as the prevailing state of society is concerned, their ultimate goal being the perfect life of the individual.

All such goals, if definitely determined, seek to raise school accomplishments to the highest standards so that every child may be offered full opportunity to prepare

himself physically and intellectually for living life in its fulness.

How many obstacles the state of modern society is placing in the way of the educative process should be apparent to any thinking person.

The trend of modern invention, with radio, moving pictures, automobiles, etc. is toward moronic rather than intellectual standards with the general run of mankind.

Such things result in changing school objectives and the problems presented for solution are complex in the extreme.

The old fashioned plan of perfecting lines of school work, so that pupils would be sure of getting a job, has been over shadowed by the real object of acquainting our school population of various nationalities, with the aims and ideals of municipal, state, and national governments.

This will tend toward bringing about economic advantage and improvement in the common life upon which the success of our national adventure must ultimately depend.

It can never be done by inventions and methods that guide to the softer side of human life. School work to perform adequately what it is supposed to do must enforce a high degree of individual effort even though it may become a distinct sacrifice.

All modern institutions of standard merit have focussed their aims on just such lines although they had to court frequent changes to bring about their success.

Many such changes in aims and methods, to the layman, often seem sacrifices when in reality they are but transitions from bad to better and frequently from better to best.

This is particularly true of education. The old was fast accumulating the mould of inefficient administration and one track methods of teaching.

The newer thought has brought forth the Junior High School, the Platoon School, Project Methods, Vocational and Pre Vocational Schools, the Nursery Schools and the abbreviation of the public school curriculum in the interest of financial economy and the more complete education of the youth.

The great concern for the physical perfection of the school child is taking precedence inasmuch as perfect living depends first upon the bodily health.

There may not be space to state definitely the particular ends of the elementary, the Junior High, and the Senior High divisions of our educational scheme, but it should be reassuring to some to know that all methods of conducting the schools of this district are in accord with the ideas of the best educators.

The value of every dollar expended is manifest in high progressive achievement.

It is a privilege to acknowledge publicly, with gratitude, the action of the Board of Education in naming the Junior High School for me.

I also express my appreciation to the people of this district for their confidence in my efforts to keep the schools of Concord to a high level of attainment.

I am not unmindful of the assistance rendered by all others connected with the education of Concord children.

Respectfully submitted.

L. J. RUNDLETT, *Supt.*

**REPORT OF THE ASSISTANT SUPERINTENDENT
OF SCHOOLS, CONCORD, N. H.**

Superintendent L. J. Rundlett, Concord, N. H.

DEAR SIR:

THE ACHIEVEMENT OF PUPILS IN THE CONCORD SYSTEM

This report is the first in a series treating with the success of Concord High School graduates, and will deal primarily with pupils who enter colleges and other post secondary institutions.

It is hoped that other studies will soon be available concerning the after school success of the graduates of the Commercial and Mechanic Arts Curricula.

VARIOUS CURRICULA OFFERED IN CONCORD
SENIOR HIGH SCHOOL

The course of study in the Concord High School may be divided into five major divisions, namely, classical, academic, commercial, mechanic arts, and home economics. A brief summary of the aims of each course is given below.

1—*Classical.*

A regular program made up of subjects listed in this curriculum meets the requirements of any New England College.

2—*Academic.*

A pupil pursuing this course under reasonable guidance will secure a thorough foundation in high school work; he will be admitted to New Hampshire University or may plan to meet other college requirements.

3—*Commercial.*

This course is definitely designed to prepare pupils for office employment and other forms of clerical occu-

pation. It has preparatory value for business colleges of post-secondary grade and will admit to New Hampshire University.

4—*Mechanic Arts.*

A pupil who pursues this course should be able to acquire a broad, general industrial training, and a particular preparation for a special field in industrial efficiency. The course aims to develop minor executives for industrial positions, business men, salesmen, and mechanic arts teachers. This course has value also as a preparatory course to New Hampshire University and other post-secondary technical schools.

5—*Domestic Arts.*

The aim of the course is to secure for the girl, who takes it, a high school education without taking specific college preparatory subjects. The content of the course is balanced in such a way that a girl who completes it has a definite understanding and appreciation of the things at home.

HOW MANY PUPILS WHO GRADUATE FROM THE SENIOR HIGH SCHOOL ENTER COLLEGES, NORMAL SCHOOLS, OR OTHER POST-SECONDARY INSTITUTIONS?

The records indicate that during the past five years on the average one pupil out of every three continued his education in college or other post-secondary school.

IN WHAT WAYS ARE PUPILS ADMITTED TO COLLEGES?

Students are admitted to college from Concord High School in three ways, 1—by examination, 2—by certification, 3—by diploma.

WHAT PUPILS ARE ADMITTED TO COLLEGE THROUGH THE EXAMINATION ROUTE?

F. L. Bacon, Director of Secondary Education in the

Newton Schools, states in the 1925 Annual Report of the School Department, Newton, Mass.:

"In New England 76 per cent of those who graduate from high school do not go to college. Of those going to college only 5.9 per cent enter through the college examination route.

"In New England, Harvard, Yale, and the Mass. Institute of Technology are now the only colleges for men requiring college entrance examinations. Wellesley, Mount Holyoke, Smith, and Radcliffe are the colleges for women requiring examinations; other institutions admit by certificate except in case of failure to present records of certificate grade when examinations may be taken instead."

Table 1 shows the number of pupils from Concord taking College Entrance Board Examinations during the past 5 years ending June, 1926.

TABLE 1

Number of pupils from Concord taking College Board Examinations during the last five years.

| <i>Year</i> | <i>Passed</i> | <i>Failed</i> | <i>Total</i> |
|--------------|---------------|---------------|--------------|
| June 1926 | 5 | 2 | 7 |
| " 1925 | 4 | 1 | 5 |
| " 1924 | 4 | 1 | 5 |
| " 1923 | 6 | 5 | 11 |
| " 1922 | 3 | 0 | 3 |
| <hr/> Totals | <hr/> 22 | <hr/> 9 | <hr/> 31 |

INTERPRETATION AND COMMENT

1—During the past five years 31 pupils have taken the college entrance board examinations.

a—22 pupils have successfully passed the examinations and have been admitted to college.

b—9 pupils failed to pass successfully all of the examinations. Five of the nine failures occurred in June, 1923.

Table 2 shows the number of the 20 pupils taking the Comprehensive Examinations which Mr. Bacon declares, "only the more capable pupils are likely to pass."

TABLE 2

Number of pupils taking the Comprehensive Examinations

| <i>Year</i> | <i>No. Passed</i> | <i>No. Failed</i> | <i>Total</i> |
|-------------|-------------------|-------------------|--------------|
| June, 1926 | 3 | 0 | 3 |
| " 1925 | 4 | 1 | 5 |
| " 1924 | 4 | 1 | 5 |
| " 1923 | 3 | 1 | 4 |
| " 1922 | 3 | 0 | 3 |
| Totals | 17 | 3 | 20 |
| Per cent | 85 | 15 | 100 |

INTERPRETATION AND COMMENT

1—Twenty pupils during the past five years have taken comprehensive examinations for college entrance. Of this number, 17 or 85 per cent passed successfully.

Table 3 shows the number of pupils taking Old Plan Examinations during the last five years and the number of different subjects.

TABLE 3

Number of pupils taking Old Plan Examinations and number of different subjects.

| <i>Year</i> | <i>No. Of Pupils</i> | <i>Total No. Of Sub. Taken</i> | <i>Total No. Of Sub. Passed</i> |
|-------------|----------------------|--------------------------------|---------------------------------|
| June, 1926 | 4 | 14 | 11 |
| " 1925 | 0 | 0 | 0 |
| " 1924 | 0 | 0 | 0 |
| " 1923 | 7 | 23 | 10 |
| " 1922 | 0 | 0 | 0 |
| Totals | 11 | 37 | 21 |

INTERPRETATION AND COMMENT

- 1—During the past 5 years eleven pupils have tried the college entrance examinations on the old plan.
- 2—Thirty-seven different examinations were taken of which 21 were passed successfully.

Superintendent Wheeler of Newton States:

“In many communities a high school is rated, not alone by the success of the majority of its graduates, but by the standing of those who enter higher institutions of learning. It is severely and unjustly criticized if they are unable to pass the increasingly difficult college entrance examinations or fail to do creditable work after entering. No high school, offering college preparatory work is free from such criticism, and all are finding great difficulty in holding students up to the high plane of scholarship necessary to meet the present severe demands of college examinations, examinations which are intended to eliminate a large per cent of those who take them.”

The success of Concord graduates in passing the college entrance board examinations has been commendable.

WHAT PUPILS ARE ADMITTED TO COLLEGE
BY CERTIFICATION?

To be admitted “on certificate” a pupil must have completed his high school course with such high grades that the headmaster recommends his admission to college without further examination by the college. The average rank required in Concord High School is 85. Merely passing a course with the rank of 70 is not sufficient for certification.

WHAT PUPILS ARE ADMITTED TO COLLEGE BY DIPLOMA?

A diploma is given to all pupils who complete satisfactorily the work of the Junior and Senior High Schools

with the rank of at least 70 in each course taken. New Hampshire University, and the two New Hampshire Normal Schools are types of post-secondary institutions which accept pupils on the basis of high school graduation, if the required preparatory work is covered.

WHAT PROPORTION OF CONCORD PUPILS ENTER COLLEGE BY ONE OF THE THREE METHODS MENTIONED?

It is estimated that during the last five-year period of all pupils entering post-secondary institutions 65 per cent were admitted on the basis of high school diploma, 25 per cent on the basis of certification, and 10 per cent by means of the college entrance examinations.

ARE CONCORD HIGH SCHOOL GRADUATES MAKING GOOD IN COLLEGES AND OTHER POST-SECONDARY SCHOOLS?

Records covering the 5 yr. period ending December, 1926 indicate that Concord graduates entering higher institutions of learning are meeting collegiate requirements successfully.

Dartmouth

1—18 boys have entered Dartmouth from Concord High during this period.

2—The work of these boys can be classified as follows:

5 did work of exceptionally high grade.

5 " " " above average grade.

4 " " " average grade.

2 " " " below average.

2 " " " of inferior quality.

Dean Craven Laycock of Dartmouth wrote Asst. Supt. of Schools Clayton in March, 1922:

“Answering your inquiry about the students who have

entered Dartmouth from Concord, N. H. High School, I am glad to state that the men entering at Dartmouth have been uniformly satisfactory. In some years the school has had an outstanding record, and the group entering in 1916 was such an unusually high-standing group that the college presented to the school a bronze plaque given to the school making the best record in the first semester of the freshmen year. We have absolutely nothing but commendation for the work done by the men coming to us from your school."

The boys entering Dartmouth from Concord since 1922 have upheld the standard set by previous classes as may be shown by the following recent comment sent by the Registrar to Headmaster Cook.

"I am delighted to inform you that the group of four boys in the present freshman class which came from your school had the second best average standing in the freshman class. Their average of 2.68 is extremely high. This is just one more evidence of the excellent work your school does, and of the fine type of boy you are sending to Dartmouth." (March 10, 1927 E. Gordon Bill)

Mount Holyoke College

Of the five girls entering this college the Registrar states that one of them has made an excellent record, and that the others have been very satisfactory.

- Pupil 1 A fairly average student.
- " 2 Excellent student.
- " 3 Good average student.
- " 4 Fair.
- " 5 Satisfactory.

Wellesley College

The work of the two students entering Wellesley College during this period was designated as average by the Registrar.

Harvard College

Two Concord Graduates have been in attendance at Harvard during the past five-year period. Their record has been satisfactory, one doing passing work in his Freshman year and the other at mid-year had "honor grades" in three out of five studies.

Middlebury College

The complete records to date of three students enrolled at Middlebury are available. The records are very satisfactory in each case.

The following table gives the distributions of ranks of these students.

TABLE 4

Distribution of Ranks of Three Students Enrolled At Middlebury College During the Last Five Years.

| <i>Pupil</i> | <i>A—B—C—D—R</i> | <i>Total</i> |
|--------------|------------------|--------------|
| 1 | 2 8 | 10 |
| 2 | 8 6 1 | 15 |
| 3 | 30 16 1 | 47 |
| | <hr/> 38 24 10 | <hr/> 72 |

INTERPRETATION AND COMMENT

- 1—Definitions of Ranks A=90 to 100, B=80 to 89, C=70 to 79, D=60 to 69, Passing grade 60 per cent.
- 2—Student No. 3 received Honor in French, High Honors in Spanish, and was elected to Phi Beta Kappa.
- 3—All three students did much better than average students as the passing rank is 60. None of these students received ranks lower than 70.

Smith College

The ranks of 3 students are available for the last five-year period. The total number of ranks received by these students was 20. All of the ranks given were of credit grade and above; six of the ranks were of "honor grade."

New Hampshire University

A very large proportion of students graduating from Concord High and who go on to higher institutions enter New Hampshire University. Complete records showing the average rank received by each student entering from Concord High were available for this period. Table 5 presents this information and is based on the work of the first year. In the case of the students entering in September, 1926, the ranks are based on the work of the first term.

TABLE 5

Distribution of Average Ranks Made by Students, Entering N. H. U. Based On First Term's Work

| Class Entering | Above 90 | 85—80— 89—84— | 75—70— 79—74— | 65—60— 69—64— | 55—50 59—54 | Below 50 | Total |
|-------------------|-------------|------------------|------------------|------------------|----------------|-------------|-------|
| 1926 | | 1 1 | 6 4 | 1 1 | | | 14 |
| 1925 | 1 | | 1 3 | 3 6 | 2 | | 16 |
| 1924 | | 1 3 | 2 2 | 3 2 | | 1 | 14 |
| 1923 | | 1 1 | | 1 4 | 3 3 | 2 | 15 |
| 1922 | | | 1 2 | 4 1 | 1 1 | | 10 |
| Totals | 1 | 3 7 | 13 14 | 15 9 | 4 0 | 3 | 69 |

Excellent Very Average Poor
Good Fresh.

DEFINITION OF RANKS

- 1—80 and above, excellent.
- 2—70 to 79, very good.
- 3—60 to 69, average.
- 4—50 to 59, condition.

INTERPRETATION AND COMMENT

1—Ten students enrolled in New Hampshire University from Concord High in September, 1922. Of these ten students one made an average rank in all subjects during the first term between 80 and 84; two made average ranks between 75 and 79; the poorest average made was between 55 and 59.

3—The Class entering in September, 1923 made the lowest record, while the class entering in September, 1926 made the highest record.

Registrar Henderson in a recent letter states:

“I enclose herewith a statement of the freshmen class of the Classes entering in each of the past five years. I am showing you their progress in every year since their entrance. In order to make this of value to you, I will say that the average of the freshman class is about 68., the sophomore class 70., the junior class 75., and the senior class about 80. I think you will find by consulting these figures that your best class in the last five-year period was the class coming to us last fall. They seem to show a higher average than any other entering class.”

The table reveals that students entering the University made records as follows:

| | | | | |
|----|----------|------|-----------|--------------------|
| 11 | students | made | excellent | records. |
| 27 | ” | ” | ” | very good records. |
| 24 | ” | ” | ” | fair records. |
| 7 | ” | ” | ” | poor records. |

WORCESTER POLYTECHNIC INSTITUTE

Three boys from Concord high have been enrolled during the last five years. The Registrar states that the records of two of these students are fair while one has made an excellent record.

OTHER INSTITUTIONS

Graduates from Concord High are taken on examination or certificate by many other post-secondary institutions, among which may be mentioned, Radcliffe, Norwich, St. Anselm, Antioch, Barnard, Keene Normal, Plymouth Normal, Wentworth Institute, New Rochelle, North Eastern, Springfield, Amherst, Williams and many others.

WHAT SUBJECTS DO CONCORD GRADUATES TAKE IN COLLEGE DURING THE FIRST SEMESTER?

The following table shows in what subjects 30 students entering college in September, 1926 from Concord High were enrolled. The colleges represented were New Hampshire University, Dartmouth, Smith, Williams, Wellesley, Worcester Polytechnic Institute, Bates, Boston University and Plymouth Normal.

TABLE 6

Subjects Taken By College Entrants From Concord High, September, 1926 In Post Secondary Institutions.

| <i>Subject</i> | <i>No. Of Pup. Taking</i> | <i>No. Of Failures</i> |
|----------------------|---------------------------|------------------------|
| 1—Military Science | 13 | 1 |
| 2—Physical Education | 24 | 3 |
| 3—English | 29 | 1 |
| 4—Spanish | 9 | 1 |

TABLE 6 — *Continued*

| <i>Subject</i> | <i>No. Of Pup. Taking</i> | <i>No. Of Failures</i> |
|----------------------------|-------------------------------|----------------------------|
| 5—Mathematics | 23 | 3 |
| 6—Zoology | 8 | 0 |
| 7—Social Science | 12 | 0 |
| 8—Chemistry | 8 | 0 |
| 9—Shop Work | 4 | 1 |
| 10—Drawing | 5 | 0 |
| 11—Evolution | 4 | 0 |
| 12—French | 15 | 1 |
| 13—Hygiene | 7 | 0 |
| 14—Latin | 6 | 0 |
| 15—Glee Club | 3 | 0 |
| 16—History | 10 | 1 |
| 17—German | 1 | 0 |
| 18—Graphics | 1 | 0 |
| 19—Physics | 5 | 0 |
| 20—American National Prob. | 1 | 0 |
| 21—Psychology | 1 | 0 |
| 22—Custom-Manners | 1 | 0 |
| 23—Botany | 1 | 0 |
| 24—Musical Theory | 1 | 0 |
| 25—Piano | 1 | 0 |
| 26—Mech. Eng. | 3 | 0 |
| 27—Geology | 1 | 1 |
| 28—Architecture | 1 | 0 |
| 29—Art | 1 | 0 |
| 30—Stenography | 2 | 0 |
| 31—Typewriting | 2 | 0 |

INTERPRETATION AND COMMENT

1—It is very interesting to note the great variety of subjects taken by students in colleges at the present time. The subjects range from Latin, Mathematics, Eng-

lish, to Piano, Glee Club, Architecture, and Typewriting.

- 2—The thirty pupils received 203 ranks altogether, and of this total only thirteen ranks were below passing.
- 3—A study of the original reports received from the various colleges leaving out, however, the ranks given in Physical Education and Glee Club Work, reveals the following.

| | | | | | | | |
|----|----|-----|-----|-------|-------|------|------------|
| 80 | of | the | 176 | ranks | given | were | excellent. |
| 56 | " | " | " | " | " | " | good. |
| 30 | " | " | " | " | " | " | average. |
| 10 | " | " | " | " | " | " | poor. |

- 4—In other words, 7 out of every 10 students entering college from Concord High School in September, 1926 made records which may be classified as good or better.

DO THE CONCORD STUDENTS ENROLLED IN COLLEGES
AND OTHER POST-SECONDARY INSTITUTIONS DO AS
WELL AS STUDENTS ENTERING FROM OTHER
HIGH SCHOOLS?

Institute circulars issued annually by the State Board of Education have been used as one source from which to obtain data in answering the above question. These circulars contain reports of the first semester's standing of college and Normal School students enrolled from New Hampshire High Schools. Through a statistical study of the scholarship of its graduates the rating of each high school is determined. The first semester ranks of students enrolled in forty-six post secondary schools furnished the basis of the study.

TABLE 7.

Relative standing of Concord High School among ten

city high schools in the state. Rating based upon the first semester's reports of graduates enrolled in forty-six post-secondary institutions.

FIRST SEMESTER FOR YEAR

| City | No. | 1921 | 1922 | 1923 | 1924 | 1925 | Total | Average Rating | |
|------|-----|---------|------|------|------|------|-------|-------------------|---------|
| | | 1922 | 1923 | 1924 | 1925 | 1926 | | | |
| | 1 | 7 | 1 | 5 | 1 | 2 | 16 | First | |
| | 2 | Concord | 1 | 4 | 8 | 4 | 1 | 18 | Second |
| | 3 | | 2 | 8 | 4 | 2 | 4 | 20 | Third |
| | 4 | | 7 | 2 | 1 | 7 | 8 | 25 | Fourth |
| | 5 | | 5 | 7 | 7 | 3 | 3 | 25 | " |
| | 6 | | 8 | 3 | 3 | 5 | 7 | 26 | Fifth |
| | 7 | | 6 | 5 | 2 | 6 | 9 | 28 | Sixth |
| | 8 | | 2 | 6 | 9 | 9 | 5 | 31 | Seventh |
| | 9 | | 3 | 9 | 6 | 10 | 6 | 34 | Eighth |
| | 10 | | 4 | 10 | 6 | 8 | 10 | 38 | Ninth |

Read Table as Follows:—

- 1—Concord High ranked first of the ten New Hampshire city high schools in 1921-1922 and 1925-1926.
- 2—The record made by the students entering college in the fall of 1923-1924 was not up to standard, giving Concord eighth position out of the ten cities.
- 3—The last column in the table shows the relative position of the various city high schools for the five year period. Concord is placed on the list as being surpassed only by city number one.

Registrar Henderson of New Hampshire University states, "The average of the freshman class is about 68." This means that students enrolled in the freshman class may be said to be doing better than average students if their average rank for the first semester is above 68.

Table 8 gives the median average rank for members of the freshman class entering the University from Concord High School for the last five years.

TABLE 8.

Median rank of freshman at University of New Hampshire entering from Concord High School.

| <i>Class Entering</i> | <i>Total Entrants</i> | <i>Median Rank</i> |
|-----------------------|-----------------------|--------------------|
| 1926 | 14 | 75.9 |
| 1925 | 16 | 70.0 |
| 1924 | 14 | 72.5 |
| 1923 | 15 | 64.3 |
| 1922 | 10 | 72.5 |

Read Table as Follows:—

- 1—In 1926 Concord High School sent 14 students to New Hampshire University. The median rank of these 14 students was 75.9. In other words, seven of the 14 students secured an average rank higher than 75.9.
- 2—The passing rank at the University is 60.
- 3—Registrar Henderson states, "The best class in the past five years was the class coming to us last fall. It seems to show a higher average than any other entering class."
- 4—Only one class, that entering in September, 1923, made a record poorer than average.

The opinion of the Dartmouth College authorities has already been cited and it would appear that the groups of boys entering Dartmouth hold their own with groups entering from other public high schools. In 1916 the

Dartmouth plaque was won by the Concord group, and since that time the Concord delegation has taken a second place.

Registrar E. Gordon Bill in a recent letter sent to Headmaster Cook states:

"I have recently made a detailed study of the grades made at Dartmouth College during the first semester of Freshman year by the classes which entered during the period 1915-1926 and I am sure that you will be interested in the results.

"When we consider only those schools which have sent us at least twenty-five men during the above period, first honor goes to the Concord High School, which has sent us thirty-nine men with the remarkable average of 2.404 out of a possible 4.0. Here it should be noted the average of the entire Freshman Class is approximately 1.820." (January 16, 1928)

GENERAL SUMMARY AND CONCLUSIONS

- 1—The Concord High School offers five courses of study, namely, 1—Classical, 2—Academic, 3—Commercial, 4—Mechanic Arts, and 5—Home Economics.
- 2—One pupil out of every three graduating from Concord High School has continued his education in college or other post secondary school.
- 3—During the last five years 31 pupils have taken the college entrance examinations, 22 of these successfully passed all of the examinations and 9 partially passed the examinations.
- 4—20 of the 31 pupils took the most difficult type of college entrance examinations, namely, the comprehensive examinations. 17 of the 20 passed successfully.

- 5—During the last five-year period of all pupils entering post-secondary institutions 65 per cent were admitted on the basis of high school diploma, 25 per cent on the basis of certification, and 10 per cent by means of the college entrance examination.
- 6—Records from Dartmouth College, Mt. Holyoke College, Wellesley College, Harvard College, Middlebury College, Smith College, Worcester Polytechnic Institute and other post-secondary Schools show that the scholastic attainment of Concord graduates is as high, if not higher, than the attainment of graduates entering from other high schools.

It may be well to recognize the fact that College preparation is only one of many duties which the modern high school has been called upon to bear. The majority of pupils never enter the portals of collegiate institutions. Fifty per cent of pupils entering the high school do not stay long enough to graduate and of those graduating approximately thirty-three per cent enter post-secondary institutions.

In Concord: Of every 100 pupils entering the Freshman Class

50 pupils remain to graduate.

Of every 50 pupils graduating

17 pupils enter post-secondary institutions.

Of these 17 pupils entering post-secondary institutions

2 pupils enter by the way of the college entrance examination route.

5 pupils enter by the way of certification by the headmaster.

10 pupils enter upon presentation of the high school diploma.

The problem confronting educational administrators, the solution of which is being demanded in no uncertain terms by parents, citizens, and tax payers is how the two schools of thought in education can be amalgamated, the one holding that the high school is primarily a selective institution the main purpose of which is to prepare for college entrance, and the other maintaining the principle that the high school is a democratic institution supported by public taxation and should modify its requirements so as to meet the needs of all pupils.

The main purpose of education may, perhaps, be summed up in the words of the Chancellor of the University of Pittsburg:

“To create some plan or device by which boys and girls might rise to their highest power to cope with their environment, succeed, and be happy in succeeding; to be creative, decent at heart, sensitive to beauty, glad to serve their fellows.”

Respectfully submitted,

CHARLES W. WALKER,

Assistant Superintendent.

REPORT OF THE MEDICAL INSPECTOR

Mr. L. J. Rundlett, Superintendent of Schools:

DEAR SIR:

I submit herewith a brief resume of the work of medical inspection in Union School District from February 1, 1927 to January 31, 1928.

General health conditions continue good. A few cases of scarlet fever occurred in February, 1927, but since that time the city has been remarkably free from contagious disease.

In September, the system of physical examinations was modified, employing one nurse, and assigning the duties of dental assistant to Miss Magnuson, the secretary to the inspector. Under this arrangement, routine physical examinations are conducted by the entire medical force as a unit, with a saving of time for both examiners and pupils.

The habit of a forenoon milk lunch is apparently firmly formed by a large number of pupils, and the daily consumption of milk is increasing, particularly in the Junior and Senior High grades. The amount consumed in the district as compared with the previous year is as follows:

| | | |
|-----------|--------|-------------------|
| 1926-1927 | 80,130 | Half-pint bottles |
| 1927-1928 | 90,010 | Half-pint bottles |

The Dental Clinic. This factor in health inspection shows steady improvement year after year in the condition of the pupils' teeth, and a diminishing number needing correction.

A unit of five persons from the American Child Health Association of New York spent two weeks in Concord during November, conducting a study of one hundred

sixth grade pupils. Similar information is being gathered in seventy cities of the United States during the present school year for comparison of results. A preliminary report, recently received, indicates excellent average health conditions in Concord.

A study, by the medical inspector, of the number and causes of all deaths of children in the Union School District, between the ages of five and twenty years, during the eight years 1920 to 1927 inclusive, shows some interesting figures. There has been no death from diphtheria, scarlet fever, or measles during that period.

| | | | |
|---|---|--------------------|---|
| The total number of deaths from all causes was 48 | | | |
| Of these, there were from accident 13 | | | |
| Heart Disease | 8 | Nephritis | 4 |
| Tuberculosis | 4 | Intestinal Disease | 5 |
| Pneumonia | 4 | Other causes | 7 |
| Meningitis | 3 | | |

Surely a very creditable showing for the city from a sanitary standpoint.

In conclusion, I extend my sincere thanks for the cooperation of my colleagues in the district.

Respectfully submitted,

ARTHUR K. DAY, M. D.,
Medical Inspector.

SUMMARY OF PHYSICAL EXAMINATION

FROM FEBRUARY 1, 1927 TO FEBRUARY 1, 1928
 Number of pupils examined 2866

SUMMARY OF HEALTH DEFECTS

| | No. of Cases | Treatment Secured |
|-------------------------|--------------|-------------------|
| Defective Teeth | 754 | 905 |
| Defective Vision | 134 | 120 |
| Unvaccinated | 67 | 32 |
| Pediculosis | 84 | 85 |

ARTHUR K. DAY, M. D.

Medical Inspector.

DETAILED REPORT OF SCHOOL NURSES

FEBRUARY 1, 1927 TO FEBRUARY 1, 1928

| | |
|---|------|
| Number of visits to schools | 592 |
| Number of visits to homes for consultation with parents | 355 |
| Assisted Medical Inspector at routine physical examinations | |
| Number of pupils examined for vision, teeth, hearing, and nutrition | 3417 |
| Number of pupils examined for personal cleanliness | 2074 |
| Number of interviews with officials and physicians to make arrangements for treatment | 336 |
| Number of pupils accompanied to physician | 28 |
| Number of demonstrations for Home Nursing Class at Practice House | 11 |

Through the kindness of the Memorial and Margaret Pillsbury Hospitals, Dr. Henry H. Amsden, and Dr. David R. Brown we had fifteen cases of tonsils and adenoids operated upon. As a result of follow up work in these cases after one month, teachers reported marked improvement in pupils.

Through the courtesy of Mr. W. E. Dexter and several organizations we were able to obtain a great many vision corrections.

Respectfully submitted,

GEORGENA C. MANSUR, R. N.

School Nurse.

FEBRUARY 1, 1927 THROUGH JUNE 24, 1927

| | |
|---|-----|
| Number of visits to schools | 170 |
| Number of visits to homes for consultation with parents | 72 |
| Assisted Medical Inspector at routine examination of pupils | |
| Number of interviews with officials and physicians to make arrangements for treatment | 160 |
| Number of pupils accompanied to physician | 12 |
| Monthly weighing in elementary grades | |
| Health talks and projects in all grades | |

Respectfully submitted,

HELEN Y. UPHAM, R. N.

School Nurse.

DENTAL CLINIC

FEBRUARY 1, 1927 TO FEBRUARY 1, 1928

| | |
|----------------------------------|-----|
| Number of clinics held | 55 |
| Number of pupils given treatment | 493 |
| Number of examinations | 493 |
| Number of cleanings | 449 |
| Number of fillings | 586 |
| Amalgam | 379 |
| Cement | 207 |
| Number of treatments | 7 |
| Number of extractions | 758 |

 Total number of operations 2293

Dentists: Dr. Young, Dr. Morton, Dr. Washburn.

Respectfully submitted,

(Feb. to June) HELEN Y. UPHAM, R. N.

(Sept. to Feb.) ESTHER A. MAGNUSON

**REPORT OF THE HEADMASTER OF THE
HIGH SCHOOL**

February 20, 1928.

Superintendent L. J. Rundlett, Concord, N. H.

DEAR SIR:

I herewith submit to you the annual report of the Senior High School. Necessarily brief, it can only touch upon the chief items.

New Building

The most important thing in connection with the school this year has been the new building which we were able to occupy in September. The experience of one semester has shown that the building is splendidly adapted for the work of the school. The recitation rooms are pleasant, well lighted and so arranged that passing of classes can be done without unnecessary loss of time. The auditorium and gymnasium have been so located that activities can be carried on in them during school hours without disturbing the other rooms. The total enrollment during the first semester was 636 undergraduates and 9 post-graduates and there has been ample room for all.

Physical Education

The addition of the gymnasium has made it possible to develop the work of physical education. Classes are held at regular periods so that the work is made a part of the regular system of the school and a close cooperation is maintained between this work and that of the school physician and school nurse. At the present time, we are using the gymnasium alternately for boys and girls. The full use of the gymnasium and the full devel-

opment of physical education cannot come until the curtain, which is to be a part of the equipment, has been put in place. When this is done, classes for both boys and girls can be held simultaneously and the work instead of being confined to three days of one week and two days of another, can be spread over the five days of the week.

Graduation and College

The Class of January 1927 numbered 40 and the Class of June 1927 numbered 94 making a total of 134 for the year. In September 1927 thirty-eight of our recent graduates entered college and seven entered Normal School, Dewey School or other post-secondary schools. A most encouraging letter was received from Dean E. Gordon Bill of Dartmouth College, with regard to the work of our graduates who have entered Dartmouth College. He said that during the period of 1915-1926 he had made a special study of the grades made during the first semester of the freshman year and that considering only those schools which had sent at least twenty-five men, Concord High School had the first honor. During that time we had sent thirty-nine men and the average attained by all of those was 2.404 out of a possible 4.0. The average of the entire freshman class for the same period was 1.82. This letter was decidedly gratifying as showing not only the results of preparation for college received at the high school but also the character of the work which our graduates have done since they entered Dartmouth. We can also say that the records of those who have entered other colleges show equally creditable work.

Respectfully submitted,

CHARLES F. COOK,
Headmaster.

**REPORT OF THE PRINCIPAL OF THE RUNDLETT
JUNIOR HIGH SCHOOL**

Mr. L. J. Rundlett, Superintendent of Schools.

DEAR SIR:

The consolidation of the Junior High Schools of the city under one roof and in a building of their own made necessary a re-organization and gave an opportunity to build up the classes from the foundation—a task that, with years of experience under other conditions and with the unusually fine co-operation and support of the teaching staff, has been most interesting.

Most fittingly, since our superintendent was one of the pioneers of the Junior High School movement, the Board of Education voted to call this school the Rundlett Junior High School.

There were registered the first semester six hundred five pupils of whom three hundred were in the freshman class. The assembly programs have been varied and interesting, and our guests from outside have made some of these most enjoyable and inspirational. Through our school paper, the Rundlett Junior High School Life, we have endeavored to depict the life of our school with its various clubs and organizations. We have a fair sized library to which we hope to add from time to time.

During the summer the building was thoroughly cleaned, the basements and lunch rooms painted, and the desks done over. New floors and new treads for the stairs are very much needed.

I wish to express my appreciation for the sympathy, help, and inspiration that I have received from the superintendent and assistant-superintendent. Without that and the helpful cooperation of the special teachers, the undertaking would have seemed almost impossible—even with this loyal corps of teachers.

Respectfully submitted,
HARRIET S. EMMONS.

**REPORT OF THE PRINCIPAL OF THE MORRILL
SCHOOL OF MECHANIC ARTS**

Mr. L. J. Rundlett, Superintendent of Schools.

Dear Sir: I herewith submit my ninth annual report of the work of the Morrill School.

At the opening of the school year, we were confronted with several unusual administrative problems. The work in electricity was increased from one to three periods per day, S and T English, T applied chemistry and T applied physics were added to the list of High School subjects. By order of the State Department of Education, the time was doubled for M and N classes in manual training. Not only did the school assume more work but the pupil enrollment was greatly in excess of any previous year. Furthermore, it was deemed advisable to so arrange the schedule as to prevent passing between the High School and the Morrill School during school time.

To meet these various problems, it was necessary for each teacher to be given a full six period day and to increase the size of our shop classes. Fortunately, we started the year with a staff of veteran teachers and I believe that the greatly increased responsibility of the school has been successfully assumed without a sacrifice of efficiency.

In February, our enrollment was again increased and it was necessary to add a part time teacher for the grade classes. Mr. Maxwell E. Coulter, of Concord, was secured for the afternoon sessions. Mr. Coulter is a skilled mechanic and radio expert and his work with the grade boys has fully justified our faith in his fitness for the position.

In March, an opportunity class, of twenty over-aged boys, was organized and Mr. Eugene Maxam, of this city,

was placed in charge. Mr. Maxam is a graduate of New Hampshire University and while in college majored in education and conducted research work pertaining to the help of backward pupils.

Many outstanding projects have been completed during the year. Perhaps the most noteworthy was our participation in Concord's one hundred and fiftieth anniversary parade and an exhibit of our work which was placed in the Parker School. The float, which was constructed for the parade, was dedicated to "Our Defenders",—soldiers, sailors, firemen, police and the Red Cross. From a mechanical point of view, it was particularly well built and represented work by nearly every department of the school. The fact that approximately two hundred boys and ten out of twelve teachers reported, after the school had closed for the summer vacation, in order to cooperate with our city officials, should speak well for the spirit of both pupils and teachers.

In conclusion, let me urge, as I have in past reports, that parents and taxpayers visit the Morrill School and allow us the privilege of showing them over the building and explaining to them the details of our work. During the year to come, I trust that the school standards may be further improved in order that our Concord boys may receive the best possible training.

Again, Mr. Rundlett, I am glad to publicly express my gratitude for your loyal and untiring support and for the very real cooperation I have received from the Board of Education, Mr. Walker, Mr. Cook, Miss Emmons and many other school associates with whom I have had the honor to work.

Respectfully submitted,

ROLAND G. HARTWELL,
Principal.

**REPORT OF THE SUPERVISOR OF HOME
ECONOMICS**

Mr. Louis J. Rundlett, Superintendent of Schools.

Dear Sir:

I am submitting to you the work of the Home Economics department since I took the work in September.

No change has been made in the K. L. sewing classes with the exception, that having classes centralized at Parker School warrants larger classes, and eliminates waste of teachers' time in going from one school to another.

The M. N. cooking classes have been given double periods twice a week in preference to once a week as before. Having these classes all in one school makes for greater efficiency, larger classes, no time lost on street by teachers or pupils in going from one school to another, and the lunch room affords a market for foods prepared.

An Opportunity class at the Junior High is given afternoons at the Practice House which affords them opportunity for cooking, sewing, laundering and general care of the house.

All classes in the Home Economics course at the High School are functioning with record enrollments. Our cooking laboratory needs mentioning, being the only one of its kind in the state having four unit kitchens and a unit laundry.

At the Junior High a Red Cross Club has been formed, and at Christmas time boxes were sent to foreign countries and to flood sufferers in Vermont. A nursing club was also formed with a large enrollment. Plans are now under way to organize a camp cooking club for boys.

The lunch rooms have been functioning well. In October a lunch room was opened at the Parker School.

I recommend the following:

Senior High.

An additional teacher.

The purchase of additional chairs and table for the lunch room.

Floors painted in cafeteria and cafeteria kitchen.

Practice House.

Attention given to our chimney where creosote has come through.

Junior High.

Transparent glass be put in windows of lunch room, kitchen and cooking laboratory.

Walls painted in kitchen and cooking laboratory.

Sink at Parker School laboratory moved to cafeteria kitchen.

General.

Cash registers purchased for lunch room money.

In conclusion I desire to express my sincere appreciation of the kind and helpful advice the Superintendent and Assistant Superintendent have been ever ready to give me and also the cooperation I have found from all with whom it has been my pleasure to work, not forgetting my assistants and lunch room workers.

Respectfully yours,

RUTH M. CUTTER,

Supervisor of Home Economics.

February 20, 1928.

REPORT OF KINDERGARTEN SUPERVISOR

Mr. Louis J. Rundlett, Superintendent of Schools:

DEAR SIR: I am submitting to you a report of the kindergarten department for the past year.

No permanent material has been added outside of the easels made by the Morrill School. These are used for painting and are in line with modern ideas of allowing the child to use the larger muscles and avoid fine work. A school room of ordinary size is not large enough to allow any equipment besides that necessary to carry on routine work but I wish a slide or jungle-gym could be provided for the play grounds (play room on stormy days). Either one would be an excellent means of meeting the child's active physical needs. The children of the lower grades would benefit as well.

For various reasons many children are late in registering but the enrollment in each kindergarten from October has been practically the same as last year. The daily attendance too, has kept up well, probably due to the unusual weather and the fact that parents better appreciate the effect that tardiness and irregularity in attending school have even with little children.

The Christmas parties were held as usual. The kindergarten children had a part in the exhibit of school work held last July during the sesquicentennial celebration.

Miss Lucy Howard resigned in June and Miss Jessie Gould returned to the Kimball kindergarten after a year's absence.

A parent's meeting of all the kindergartens was held last May in High School Hall, Miss Lucy Wheelock of the Wheelock School of Boston gave an interesting talk on "Our Children."

A meeting for the mothers of the Dewey kindergarten was held in November when the daily program of a kindergarten was explained and discussed. A few mothers have assisted the child study committee of the I. K. U. in its work with children's vocabularies by recording the conversation of their children at home.

Teacher's meetings have been held and visits to the different kindergartens made as formerly.

As the curriculum of a kindergarten is outside of text books it can not be measured in terms of pages covered etc., therefore a close watch of each child is necessary to know the work being accomplished. With large classes this is of course difficult but as much is recorded as possible. The habit records and report cards begun last year are a great help in keeping track of each child's progress. These records are placed on file in the office of the assistant-superintendent as soon as the child is promoted to first grade.

Respectfully submitted,

IYLA CHAMBERLIN,

Director of Kindergartens.

REPORT OF THE SUPERVISOR OF DRAWING

Mr. Louis J. Rundlett, Superintendent of Schools:

DEAR SIR:

Due to the expansion of the Art Course also for a desire for more effective work two teachers were found necessary. Miss Coombs teaches A B and I J inclusive taking every other lesson also giving necessary explanation concerning work to be carried during her absence.

Although last year's course of study has been used Miss Coombs has substituted new lessons at her own discretion.

A Meeting for the Teachers of the Grades was held at the close of the first semester. The work was reported satisfactory. A graded course for the appreciation of pictures was decided upon. Another meeting will be held at the close of the last semester after which the Art Teachers will revise the course.

The Classes at the Parker School have been taught by Miss Magoon. The work has been unsatisfactory as some of the classes have been too large and the time limited. The work follows the line of:

Construction, Color and design, Object drawing, Poster making, Nature work, Drawings showing the work of some local industry.

An Art Club is held once a week under the supervision of Miss Coombs.

At the Rundlett Junior High School Drawing has been made elective following the lines of:

Color study, Drawing from groups of objects, Figure study, Imaginative work, Poster, Design.

An Art Appreciation Course has been developed in conjunction with Music Appreciation making the two together equal to an A subject.

An outline of the Course is as follows:

Architecture study from own environment, the influence from other countries, colonial times, city and home planning.

Sculpture was approached by first modelling then studying the work in Concord then to a knowledge of the American Sculptors and outstanding works in sculpturing.

Painting has been studied by actually composing groups to learn arrangements. Pictures by American artists have been studied also some outstanding masterpieces. Field trips have been taken. Note books have been kept also a portfolio of sketches and mounted pictures. There have been two Art Clubs each week.

At the High School there has been an Art Appreciation Course following State requirements and an elective Drawing Course:

Perspective and pencil rendering, Figure study, Illustration, Design, Nature painting (water colors and oils).

There have been two Art Club Meetings each week where members have worked in sympathy with the line they desired for example: making cards, wood carving, modelling illustration work, making of lampshades, batik pen and ink work, oil painting. The scenes and costumes for the Operetta "Peggy and the Pirate" have been worked out in this Club.

An Exhibition of the work will be held as usual.

Respectfully submitted,

IDA M. MAGOON,
Art Director.

REPORT OF THE SUPERVISOR OF MUSIC

Mr. Louis J. Rundlett, Superintendent of Schools.

Dear Sir:

The work in Music in the lower grades is progressing this year. Perhaps the greatest sign of advancement is in the acquirement of new books, and the starting of a course in Music Appreciation.

We feel very fortunate to have new books in the third and fifth grades throughout the City, and also in the Rural Schools.

The old books had been in the schools a great many years, and though many of the songs will never grow less beautiful, the books needed replacement. The new books seem to fit the ages of the children better, and also, which is very important, conform more closely to the system of sight reading now being taught in the schools.

The course in Music Appreciation has just been started in the lower grades. It will go slowly, as we have so little time to devote to our regular music work, but we feel the course is justified. A few minutes is taken from the regular sight singing lesson every three or four weeks.

Several Harmonica Bands have been started in the fifth grades, and there is one fifth grade Orchestra. Also a few Rhythm Bands are to be found in some of the lower grades.

As our aim is to help the children to appreciate good music through their ability to read, and sing, we are stressing note reading, and tone production from the first grade up.

Much better results could be obtained if it were found possible to devote more time to music each day.

Considering the number of minutes spent each week,

and the large classes, the results may be considered generally as satisfactory.

The Chorus in the large sixth grade Parker School is doing excellent work under the leadership of the Principal, Miss Hickey, whilst Singing Clubs for both boys and girls, and a good Orchestra form part of the musical activity of this school.

We try to visit the Parker School Chorus twice a month.

A wonderful opportunity now presents itself at the Rundlett Junior High School, where 600 boys and girls meet in the Assembly Hall for Chorus singing twice a week. We feel that the singing here has been of a high standing, and opportunities for entertaining visitors have not been passed by. Many members of the City Rotary Club came one morning, and on another occasion Bishop Dallas, to hear the singing, and in the latter case to speak a few words to inspire the Chorus.

A large Girls and Boys Glee Club is maintained, and an Orchestra which has functioned at several of the School activities.

Two Appreciation Classes attend three periods of study every week, and this course now continues through the first two years of Senior High School.

At the latter School, three Chorus' are held each week.

The Boy's and Girl's Glee Clubs are in a healthy state, meeting for practice once a week.

The Band numbering over thirty pieces is doing progressively good work, and the Orchestra has had many opportunities of showing their ability. The Concert held last spring was well attended, and over a hundred dollars was made for the Instrument Fund.

An Orthophonic Victrola, and a complete set of Edu-

cational records has been purchased out of this fund for the Music Appreciation Classes at the Senior and Junior High Schools.

We are deeply conscious of the greatest kindness and hearty co-operation of each and every member of the faculties of the various Schools, over whose musical activities we have the honor of supervision.

Respectfully submitted,

H. MAITLAND BARNES,
Supervisor of Music.

REPORT OF THE PHYSICAL DIRECTOR

Concord, N. H.

Mr. L. J. Rundlett, Superintendent,

Dear Sir:

I hereby submit my report as Physical Director and Coach of Athletic Teams. This report deals briefly with instruction given, schools benefited and recommendations for improvement.

The High School, Junior High and Elementary Schools all receive the benefits of our physical education program.

Two changes have taken place in our program of physical education during the past year.

(1) The gymnasium in the new High School made it possible for us to enlarge the work there. Classes are on a regular schedule with six periods of forty-five minutes a day with drills coming every other day. Each boy receives credit for work and is marked for promptness, neatness, obedience and presentation.

(2) New classes have been added to our program in the Elementary Schools in which mimetic exercises are presented by the children who seem to enjoy the drills.

Our Junior High division is made up of the Rundlett Junior High School and the Parker School. The Rundlett Junior School has exercises in the classrooms with student leaders presenting the drills under the supervision of the teacher. The Parker pupils take their drills in the assembly hall. These drills are presented with music which adds rhythm and neatness to them.

The work in the Elementary Schools has been increased during the past year, with new schools added to the sche-

dule that never received instruction before in Physical education.

Teams. Our Athletic Teams had a very successful year. Football lost one game and that to the New England Champions. Our Baseball Team won the State Championship, winning (12) games and losing none. The Girl's Basketball Team won the State Championship, winning (9) games and losing (1). Our Track Team, while working under a big handicap, has been able to turn out champions in some of the field events.

If a curtain were installed in the gymnasium, making it possible for us to have "gym" classes every day rather than every other day, as we are doing at the present time, it would help our program of physical education at the High School.

It is quite necessary for us to have the New Athletic Field project go through at this time, as a delay would surely work a hardship in the development of our Athletic Teams.

The transferring of teams from the High School to the Gun Club Grounds creates a condition that is hard to control. If it is possible for us to overcome this condition by furthering the Athletic Field proposition, all those participating in athletics will greatly appreciate the same.

Respectfully submitted,

EUGENE M. CALLAHAN.

ANNUAL SCHOOL MEETING WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of Union School District in Concord,
N. H. qualified to vote in district affairs:*

You are hereby notified to meet at the Auditorium on Prince Street, in said District, on the seventh day of April, 1927, at 7:30 o'clock in the evening, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To hear and act upon the report of the Board of Education for the past year.
4. To choose three members of the Board of Education, to hold office for three years, to fill vacancies arising from the expiration of the term of office of W. Stanley Emery, Osma C. Morrill, and Carleton R. Metcalf.
5. To choose one or more auditors for the ensuing year.
6. To see what sum of money the district will raise and appropriate for the payment of the debts of the district.
7. To see what sum of money the district will raise and appropriate for the support of schools for the ensuing year.
8. To see what sum the district will raise and appropriate for pensions to teachers.
9. To see if the district will vote to purchase a lot of land on the west side of South Street, situated between the residence of Frank W. Paige and Pillsbury Street for a sum not to exceed thirty-six hundred dollars (\$3600).
10. To transact any other business that may legally come before said meeting.

Given under our hands this 17th day of March, 1927.

HARRY F. LAKE,
MERTON C. KNAPP,
BENNETT BATCHELDER,
OSMA C. MORRILL,
W. STANLEY EMERY,
CARLETON R. METCALF,
ELISABETH R. ELKINS,
DOROTHY B. JACKSON,
JOSEPH S. OTIS,

Board of Education of Union School District.

A true copy of the original warrant attest.

HARRY F. LAKE,
MERTON C. KNAPP,
BENNETT BATCHELDER,
OSMA C. MORRILL,
W. STANLEY EMERY,
CARLETON R. METCALF,
ELISABETH R. ELKINS,
DOROTHY B. JACKSON,
JOSEPH S. OTIS,

Board of Education of Union School District.

RECORD OF ANNUAL MEETING

1927.

The Annual Meeting of the legal voters of Union School District was held at the City Auditorium in Concord, April 7, 1927, at 7:30 o'clock pursuant to the foregoing warrant.

The Moderator called the meeting to order and read the warrant.

ARTICLES I, II and IV. On motion of Harry F. Lake duly made and seconded, it was

Voted: To consider concurrently Articles I, II, and IV and that the meeting proceed to bring in ballots for a moderator, clerk and three persons to serve the district as members of the Board of Education for a term of three years.

On motion of George B. Lauder, the moderator was authorized to appoint six tellers. The moderator appointed the following persons:

Harold Cheney, Dr. Charles Duncan, Louis Clarner, Jr., Fred P. Clement, Guy H. Cutter, Ralph H. George.

On motion of Harold Cheney duly seconded, it was

Voted: To keep the polls open at least two hours from 7:38 P. M.

ARTICLE III. On motion of John S. B. Davie duly seconded, it was

Voted: That the report of the Board of Education having been printed and distributed, the reading of the same be dispensed with and the report as printed be accepted and placed on file.

ARTICLE V. On motion of Burns P. Hodgman duly seconded, it was

Voted: That the clerk be instructed to cast one ballot for William C. Brunel and Clyde M. Davis as auditors

for the district for the ensuing year and they were declared duly elected to such office.

ARTICLE VI. On motion of Joseph S. Otis duly seconded, it was

Voted: That there shall be raised and is hereby ordered to be raised by tax on the polls and ratable estates within Union School District, Supervisory Union No. 8, the sum of Seventy-eight Thousand Five Hundred Two and 50 100 Dollars (\$78,502.50) of which sum Fifty-two Thousand Dollars (\$52,000.) shall be appropriated for the payment of the bonds maturing July 1, October 1, and December 1, 1927 and Twenty-six Thousand Five Hundred Two and 50 100 Dollars (\$26,502.50) for the payment of the interest on its bonded debt accruing during the year.

ARTICLE VII. On motion of Bennett Batchelder duly seconded, it was

Voted: That there shall be raised and is hereby ordered to be raised, by tax, on the polls and ratable estates within Union School District, Supervisory Union No. 8, and appropriated for the support and the general administration of the public schools for the ensuing year, such a sum, as in addition to the amount required by law, will amount to the sum of Three Hundred Twelve Thousand Six Hundred Seventy-four and 56 100 Dollars (\$312,674.56).

ARTICLE VIII. On motion of Rev. W. S. Emery duly seconded, and after discussion, it was

Voted: That there be raised and is hereby ordered to be raised on the polls and ratable estates within Union School District the sum of One Thousand Dollars (\$1,000.) for pension purposes for the ensuing year.

ARTICLE IX. On motion of Merton C. Knapp duly seconded, and after discussion, it was

Voted: That there be raised and is hereby ordered to

be raised, by tax, on the polls and ratable estates within Union School District, Supervisory Union No. 8, and appropriated for the purchase of the lot of land on South Street as described in Article 9 of the annual warrant, the sum of Thirty-five Hundred Dollars (\$3,500).

ARTICLE X. Earl F. Newton moved that balloting at the next annual meeting be conducted by the use of check lists in accordance with an act relative to Union School District passed at the 1927 session of the New Hampshire Legislature. On a vive voce vote and on a division, the motion was declared lost.

At 9:38 P. M. the moderator declared the polls closed and announced the result of the balloting as follows:

| | |
|--|------|
| Total number of ballots cast | 2390 |
| Necessary for choice | 1196 |
| For Moderator: | |
| William Vellaire had | 1 |
| Varis Giguere had | 2 |
| Grace P. Amsden had | 3 |
| Arthur P. Morrill had | 1735 |
| For Clerk: | |
| James Gregory had | 1 |
| John Stanley had | 1 |
| Donald Rice had | 1 |
| Harold Cheney had | 1 |
| George A. Hill had | 1 |
| William Wallace had | 1 |
| James M. Langley had | 4 |
| Ray E. Burkett had | 1618 |
| For Members of the Board of Education: | |
| Florence B. Gove had | 967 |
| Carleton R. Metcalf had | 991 |
| Guy A. Swenson had | 993 |
| Grace G. Moulton had | 1314 |

George A. Hill had 1360

Benjamin W. Couch had 1397

and Arthur P. Morrill and Ray E. Burkett were declared duly elected moderator and clerk respectively of the district for the ensuing year and Grace G. Moulton, George A. Hill and B. W. Couch were declared elected members of the Board of Education for a term of three years.

Mr. Morrill took the oath of office as moderator as prescribed by law before Ray E. Burkett, Justice of the Peace.

Mr. Burkett took the prescribed oath as clerk of the district before the moderator.

On motion of Joseph S. Otis, the meeting adjourned.

A true record. Attest:

RAY E. BURKETT,
Clerk.

A true copy of the record.

Attest:

**REPORT OF THE
BOARD OF WATER COMMISSIONERS**

*To the Mayor and Board of Aldermen of the City of
Concord:*

We hereby submit the annual report of the Superintendent of the Concord Water Works, which report contains the full details of the operations for the year 1927.

During the year the Board has received a full and complete report from Metcalf and Eddy of Boston, which report presents a very careful survey of the conditions of the city's water supply from Penacook Lake and also a very complete study and survey of the possible sources for an extra water supply for the city of Concord when needed. The Board has discussed during the past years the desirability of such a survey, realizing that before many years the Water Board would be obliged to take over and develop an additional supply to meet the increasing needs of the water takers of the City.

While such increase in the consumption of water by the water takers is not so large for any one year, it is showing a steady growth occasioned by the activity in the building of new dwelling houses, the Christian Science Home, new buildings at St. Paul's School and at the State Hospital.

This fall and winter there has been a noticeable rise in the height of water in Penacook Lake which is most gratifying. The Board with the information contained in the Metcalf and Eddy report feels that when needed an extra supply of good water can be obtained at a reasonable cost to the City and while the cost of such an additional supply will mean a larger outgo in the way of expenses, payment of bonds and interest and will also probably

mean some increase in the present rates, we feel that whatever increase in rates may be necessary, they will not be in any way excessive.

Respectfully submitted,

Harry H. Dudley, President,
Carlos H. Foster,
Benjamin H. Orr,
James W. Jameson,
Burns P. Hodgman,
Patrick H. Cahill,
Frank P. Quimby,
George T. Kenney,
Olin H. Chase, ex-officio,

Board of Water Commissioners.

IN MEMORIAM

NATHANIEL E. MARTIN

Born at Loudon, N. H., Aug. 9, 1855

Died at Concord, N. H., June 9, 1927

Resolutions passed by the Board of Water Commissioners, June 17, 1927

WHEREAS: In the death of Nathaniel E. Martin, member of the Board of Water Commissioners since 1902 and President of the Board since 1918, the City of Concord has lost a citizen of unusual ability and worth, and this department an official alert to its welfare, who in the midst of a busy life, gave careful and unbiased attention to its problems, therefore be it

RESOLVED: That the Board of Water Commissioners hereby express their deep sense of loss and record their appreciation of the benefits to the Water Department from Mr. Martin's wise counsels and excellent judgment.

REPORT OF THE SUPERINTENDENT

To the Board of Water Commissioners:

I herewith present to you the fifty-sixth annual report of the operations of this department, showing the receipts, expenditures, and abatements, together with a statement of the extensions and improvements made during the year ending December 31, 1927.

Receipts

| | | |
|--|-------------|-------------|
| For water from consumers at fixed rates, | \$ 8,760.04 | |
| For water from consumers at meter rates, | 81,894.12 | |
| From delinquents, | 154.26 | |
| For water for building purposes, | 548.54 | |
| From wood and farm lands, | 166.00 | |
| For labor and materials furnished on private fire lines, | 867.81 | |
| For pipe and stock sold and labor, | 1,086.75 | |
| For old brass and iron, | 54.51 | |
| | | <hr/> |
| | | \$93,532.03 |
| Deduct abatements, | | 18.16 |
| | | <hr/> |
| | | \$93,513.87 |

Expenditures

Maintenance Account

General care and maintenance:

| | |
|---------------------|-------------|
| Salaries and labor, | \$13,503.45 |
| Automobile account, | 1,609.43 |

| Power, | \$2,397.32 | |
| Supplies and repairs, | 31.85 | |
| Heating. | 66.52 | |
| | <hr/> | 2,495.69 |
| | <hr/> | \$5,819.63 |
| | | <hr/> |
| Total maintenance account, | | \$36,052.14 |
| Construction Account | | |
| Distribution pipes, | | \$5,815.53 |
| Service pipes. | | 3,465.92 |
| Hydrants, | | 892.16 |
| Meters, | | 3,253.75 |
| | | <hr/> |
| Total construction account, | | \$13,427.36 |
| Survey account, | | \$11,500.30 |
| Total expenditures, 1927, | | \$60,979.80 |

EXTENSION AND IMPROVEMENTS

Distribution pipes laid in 1927:

6-inch:

Grand View Avenue, extended north, 723 feet.

Granite Street, east from Auburn Street, 327 feet.

Wood Avenue, extended west, 146 feet.

Chestnut Street, extended east, 65 feet.

White Street, extended north, 51 feet.

Abbott Street, on connection, 26 feet.

Linden Street, Penacook, west from West Main Street, 182 feet.

2-inch:

Grand View Avenue, extended north from 6-inch, 710 feet.

Abbott Road, extended east, 1405 feet.

Borough Road East, extended east, 90 feet.

1 $\frac{1}{4}$ -inch: 262 feet; 1-inch, 637 feet.

On hydrant branches: 205 feet of 6-inch, 35 feet 6-inch cement-lined pipe discontinued.

There was also discontinued in Rumford Street from School to Franklin Street, 2678 feet of 12-inch cement-lined pipe.

Total length of main and distribution pipes now in use, 403,572 feet or 76.43 miles.

Twelve gates were set during the year; six were discontinued; total number now in use, 1,121.

Five new hydrants have been set as follows:

Ridge Road, west side at Number 25.

Ridge Road, corner of Franklin Street.

Dunklee Street, west side, near Number 80.

Wiggin Street, south corner of South Main Street.

Grand View Avenue, east side at Jameson residence.

Total number of hydrants now in use, 544; private, 102.

Ninety-four services have been laid consisting of 1797 feet of $\frac{3}{4}$ -inch, 34 feet of $1\frac{1}{4}$ -inch, 21 feet of 2-inch and 68 feet of 4-inch.

Ten services were discontinued of which 6 were replaced by new ones and 4 discontinued permanently.

Total now in use 4317; length of service pipes, 102440 feet or 19.40 miles. We also supply 32 houses on private ways.

Four-inch connections for fire supply pipes were made for new dormitories at St. Paul's School, for nurses' home and power plant at N. H. State Hospital and for new buildings at Margaret Pillsbury General Hospital.

Fifty-nine services have been relaid and curb valves placed on 32 old services.

One hundred and twenty-five new meters have been set and 4 have been removed; total now in use, 3262.

Respectfully submitted,

PERCY R. SANDERS,

Superintendent.

SUMMARY OF STATISTICS

FOR THE YEAR ENDING DECEMBER 31, 1927

CONCORD WATER WORKS

CITY OF CONCORD, COUNTY OF MERRIMACK, STATE OF NEW
HAMPSHIRE

GENERAL STATISTICS

Population by census of 1920—22,167.

Date of construction—1872.

By whom owned—City of Concord.

Source of supply—Penacook Lake.

Mode of supply—Gravity, also pumping to reservoir for
high service and fire protection.

PUMPING

Builders of pumping machinery—Worthington Pump and
Machinery Corporation and DeLaval Steam Turbine Co.

ELECTRIC PUMPS

1. Description of power:
 - a. Alternating, 3 phase, 60 cycles, 2,200 volts,
1,800 R. P. M.
 - b. Price per K. W. H., \$0.01 $\frac{1}{3}$, 8 p. m. to 6
a. m.; maximum, \$1,800 per year, 300,000,000
gallons; \$6.00 per 1,000,000 gallons over
300,000,000.
2. K. W. H. used for year, 196,440.
3. Total pumpage, by Venturi meter, 390,346,000
gallons.
4. Average static head against which pump works, 90
feet.

5. Average dynamic head against which pump works, 115.2 feet.
6. Gallons pumped per K. W. H., 1,992.35.
7. K. W. H. used per 1,000,000 gallons pumped, 536.
8. Cost of total pumping figured on pumping station expenses—\$5,819.63.
9. Per million gallons pumped—\$14.098.
10. Per million gallons raised one foot (dynamic)—\$0.1223.

DISTRIBUTION.

MAINS

1. Kind of pipe—cast iron and cement-lined.
2. Sizes—four-inch to twenty-four-inch.
3. Extended—1,481 feet during year.
4. Relaid—26 feet during year.
5. Discontinued—3,528 feet during year.
6. Total now in use—71.21 miles.
7. Number of leaks per mile for year—
8. Length of pipes two inches and less diameter—5.22 miles.
9. Number of hydrants added during year—public, 5.
10. Number of hydrants now in use—public, 494, private, 102.
11. Number of stop gates added during year—6.
12. Number of stop gates now in use—1,121.
13. Number of stop gates smaller than four-inch—
14. Number of blow-off gates—79.
15. Range of pressure on mains at center of city—88 pounds high service and 48 pounds low service.

SERVICES

16. Kind of pipe—cement-lined.
17. Sizes—three-fourths-inch to ten-inch.
18. Extended—1,926 feet.
19. Discontinued—122 feet.
20. Total now in use—102,440 feet.
21. Number of service taps added during year—84.
22. Number now in use—4,317.
23. Average length of service—23.72 feet.
24. Average cost of service for the year—.
25. Number of meters added during year—121.
26. Number now in use—3,262.
27. Percentage of services metered—75.5.
28. Percentage of receipts from metered water—90.
29. Number of elevators added—none.
30. Number now in use—9.
31. Number of stand pipes for street watering—.

FINANCIAL

| RECEIPTS. | | EXPENDITURES. | |
|---|--------------|-------------------------------------|--------------|

FIRE DEPARTMENT

REPORT OF CHIEF ENGINEER

To the Board of Aldermen:

In accordance with the requirements of the city ordinance, I herewith submit for your consideration the report of the Fire Department for the year 1927.

The department responded to 41 bell alarms and 398 still alarms.

In addition one fire, entailing loss, occurred for which no alarm was given.

| | <i>Alarms</i> | | | |
|--------------|---------------|-----------|----------|-----------|
| | Bell | Still | No Alarm | Total |
| Precinct | 29 | 282 | 1 | 312 |
| Penacook | 3 | 76 | | 79 |
| East Concord | 2 | 18 | | 20 |
| West Concord | 7 | 22 | | 29 |
| | <hr/> 41 | <hr/> 398 | <hr/> 1 | <hr/> 440 |

This report will be found to contain statements in detail embracing the amount of expenditures, and a complete roll of the department with residence and occupation of each member.

Were it not for the toll of human lives exacted by the fire of November 21st, this report would be the most gratifying one rendered by the undersigned for several years. But on that fatal morning Mrs. Charles Marshall and three children perished in the flames, casting a pall over the record of the year. Never was there a more

vivid illustration of a mother's love and devotion to her children than that given by this heroic woman. After rescuing one child, and with ample opportunity to save herself, she sacrificed her life in attempts to rescue the others.

The monetary loss was far less than has been the case for the last seven years.

The apparatus in the main is in good condition. Engine 1 and Truck 1 were provided with new forward tires and tubes and the rear tires of both machines were provided with new tubes. Repairs to other apparatus were attended to as required, but were in the nature of light repairs as compared with the first two mentioned.

The new alarm system was installed during the year and is working in a very satisfactory manner. We are now assured that in case of an open circuit, no abnormal area is without means of giving an alarm. Six new boxes were installed in addition to those called for in contracts.

The shortage of permanent men, however, is more acutely felt than ever as the permanent men receive the alarm twenty seconds before it is communicated to the strikers and the apparatus is on the way before the call men have an intimation that an alarm is coming in. It is apparent to all that no piece of apparatus should respond to an alarm with a manual force of but one man. Still, when one reflects upon what has been recently accomplished by the city and the attendant expense, and the improvements already decided upon with additional expense, one hesitates to dwell at length upon the question of additional permanent men and motor-driven apparatus. It is an intricate, perplexing question requiring careful study by your honorable body.

I respectfully recommend the purchase of one thousand feet of hose during the coming year.

During the month of August I was privileged to attend the convention of the International Association of Fire Chiefs held at Portland, Oregon, a report of which I rendered at that time. I wish again to express my gratitude to your honorable body for the opportunity afforded me to learn.

Respectfully submitted,

W. C. GREEN,

Chief Engineer.

IN MEMORIAM

CYRUS E. ROBINSON

Assistant Engineer

Died April 16th, 1928.

FRANK C. BLODGETT

Cataract Engine Company No. 3

Died July 21st, 1928.

Apparatus and Force

The apparatus and force of the department is as follows:

Precinct, located at the Central Fire Station, one first-class Amoskeag engine, "Eagle." and one 750-gallon Ahrens-Fox motor-driven combination pumping engine and hose car, attached to Eagle Steam Fire Engine Company (15 men); one second-class Amoskeag engine, "Kearsarge," and auto-combination car, attached to the Kearsarge Steam Fire Engine Company (13 men); one second-class Amoskeag engine, "Governor Hill," relief engine, in charge of an engineer and fireman, one auto-combination car in charge of four permanent men; one motor-driven ladder truck, "City of Concord," attached to Hook and Ladder Company (21 men); one Reo fire alarm repair truck; one house man at Central Fire Station. There are twelve permanent men at the Central Fire Station, one permanent man at each other fire station within the precinct, one permanent man at Pioneer Station, Penacook, and one permanent man at Cataract Station, West Concord.

The Alert Hose Company (11 men), located on Washington Street, has an auto-combination car, with permanent man.

The Good Will Hose Company (11 men), located on the corner of Concord and South State Streets, has an auto-combination car, with a permanent man.

Veterans' Auxiliary Company (30 men).

One hand engine and two wagons and one ladder truck in reserve.

The "Pioneer" Engine Company, No. 3 (28 men), at Penacook, has a third-class Metropolitan engine, with two hose wagons and one auto-combination car with permanent man.

The Cataract Company (30 men), at West Concord, has a modern hose wagon and auto-combination car with permanent man.

Old Fort (30 men), East Concord, has a 4 1-2-inch cylinder Hunneman hand engine and hand ladder truck, and one hand-drawn chemical engine, 50-gallon, single tank, and one auto-combination car.

CONCLUSION

I wish to thank His Honor William L. Stevens, John W. Stanley, Clerk of the Municipal Court, The Hon. Members of the Police Committee, and all the officers of this department, for their hearty co-operation during the year.

Respectfully submitted,

GEORGE A. S. KIMBALL,

Chief of Police.

REPORT OF THE ENGINEERING • DEPARTMENT

Concord, N. H., December 31, 1927.

To the Board of Mayor and Aldermen:

GENTLEMEN: Herewith is submitted the thirty-fifth annual report of the Engineering Department.

Financial Statement

Appropriation:

| | | |
|---------------------------|------------|------------|
| Engineer, | \$3,500.00 | |
| Assistant engineer, | 1,900.00 | |
| Clerk, | 1,044.00 | |
| Rodman, | 1,200.00 | |
| Extra clerk for vacation, | 30.00 | |
| Incidentals, | 350.00 | |
| Upkeep of automobile, | 400.00 | \$8,424.00 |
| Earnings, | | 0.96 |
| | | <hr/> |
| Funds available, | | \$8,424.96 |

Disbursements

| | |
|------------------------|------------|
| Salaries and supplies, | \$8,424.82 |
| | <hr/> |
| Balance, | \$0.14 |

The work of construction and maintenance of the sewers is handled by this department for the Board of Public Works.

This department has done whatever work was assigned it by the several departments, committees and city government.

Your engineer has attended building hearings and accompanied the city government on their hearings, as well as attended all meetings of the city government and Board of Public Works.

All sewer connections were inspected and recorded.

Grade stakes were set for 9,435 feet of sidewalks.

Sidewalk grades were established for 340 feet.

Plans, estimates and blue prints were made when requested. The assessors' maps were kept up to date. There were 626 transfers of property during the year.

Streets Laid Out

| | | |
|------------------------------|----------|------|
| Grand View Avenue extension, | 792 | feet |
| Wyman Street, | 301.62 | " |
| Webster Place, Ward one, | 194.04 | " |
| Linden Street, Ward one, | 917.48 | " |
| Kellom Street, | 126.96 | " |
| Hope Avenue, | 1,196.23 | " |
| Chestnut Court Extension, | 120 | " |

Streets Discontinued

K Street, West Concord, 50 feet on east end.

Total length of streets laid out in 1927, 3648.33 feet, or 0.690 miles.

Total mileage of streets and roads, 176.117.

Total mileage in compact part of city, 48.124.

Total mileage in outlying parts of city, 127.993.

The records in this department are kept on a card system which gives in detail the expenditures and entire work of the department, which we will be pleased to show anyone who may be interested.

We have handled practically every phase of municipal engineering for citizens and out-of-town people, as well as the city's work, all of which has been cheerfully at-

tended to by the employees of this department, all of whom have rendered valuable service to the city.

The roster of the engineering department outside of your engineer, is as follows: Mr. Edward E. Beane, assistant engineer; C. Fred Moulton, rodman, and Mrs. Frances Richardson, clerk.

The American Society for Municipal Improvements, of which your engineer is an active member, held its convention in Dallas, Texas, in November, but in-as-much as I was assigned work in the flooded area at the time of the convention, and feeling my duty was here, I did not request permission to attend the convention.

For the support and cooperation of our late mayor, Fred N. Marden, your board, heads of departments and citizens of the city, I wish to express my appreciation.

Respectfully submitted,

FRED W. LANG,

City Engineer.

REPORT OF THE BOARD OF HYDRANT COMMISSIONERS

Concord, N. H., December 31 1927.

To the Board of Mayor and Aldermen:

GENTLEMAN: The twenty-second annual report of this board for the year 1927 is herewith submitted.

On April 12, 1927, Commissioners Sanders and Lang met on Ridge Road and recommended that a three way hydrant be installed at the corner of Ridge Road and Franklin Street extension; also a three way hydrant on the west side of Ridge Road just north of the property of Leander Parkhurst.

On April 28, 1927, Commissioners Sanders and Lang met on Church Street opposite Lyndon Street and recommended that the present hydrant be moved to a point six feet east of its present location.

On July 19, 1927, Commissioners Sanders and Green met on Grand View Avenue and recommended the installation of a three way hydrant on the east side of Avenue opposite Dr. Jameson's house.

On the same date they met on Dunklee Street and recommended the installation of a three way hydrant on the west side of Street and five feet north of the south line of house No. 79.

On November 28, 1927, Commissioners Sanders, Green and Lang met at the corner of South Main and Wiggin Streets and recommended the installation of a three way hydrant on the southwest corner of South Main and Wiggin Streets.

No other sessions were held during the year.

Respectfully submitted,

FRED W. LANG,

W. C. GREEN,

PERCY R. SANDERS,

Board of Hydrant Commissioners.

REPORT OF THE BOARD OF EXAMINERS OF PLUMBERS

Concord, N. H., December 31, 1927.

To the Board of Mayor and Aldermen:

GENTLEMEN: The twenty-eighth annual report of this board is herewith submitted.

The membership of the present board is as follows: Arthur W. Brown, an examined master plumber; Walter C. Rowe, M. D.; and Fred W. Lang, city engineer. Mr. Brown is chairman of the board, and Fred W. Lang, clerk.

Six application for journeyman's license, and one for master's license were received.

Seven meetings of the board were held, all of the applicants were examined and six passed the required examinations. One failed to pass.

There are four classes of plumbers on the register: registered master, examined master, registered journeyman, and examined journeyman.

The following paid for their 1927 license and are classified as follows:

REGISTERED MASTERS

| | License number | |
|--------------------|----------------|----|
| Arthur W. Bean, | | 1 |
| Mary E. Clifford, | " " | 14 |
| Seth R. Hood, | " " | 2 |

| Patrick J. Tarpey, | " " | 100 |

Total number of Registered Masters 9

Total number of Registered Journeymen, 2

Total number of Examined Masters, 26

Total number of Examined Journeymen, 24

CASH RECEIPTS

| | |
|-----------------------------------|---------|
| For licenses, | \$27.50 |
| For examinations, | 7.00 |
| | <hr/> |
| Total receipts, | \$34.50 |
| Paid out for stamps and supplies, | 7.56 |
| | <hr/> |
| Balance, | \$26.94 |

The clerk of the board holds receipts from the city treasurer for \$26.94.

Respectfully submitted,

ARTHUR W. BROWN,
FRED W. LANG,

Board of Examiners of Plumbers.

REPORT OF THE PLUMBING INSPECTOR

Concord, N. H., December 31, 1927

To the Board of Mayor and Aldermen:

GENTLEMEN: The third annual report of the plumbing inspections in the city of Concord, is herewith submitted:

There have been 235 permits issued for new work, against 210 permits for the year 1926, and 156 for 1925.

There were 480 inspections made.

It is pleasing to the inspector to report that there have been but four complaints of evasion of the plumbing rules, and these being of a minor nature.

A record is kept in the office of the city engineer of the various plumbing jobs, showing the layout of the work, date of completion and the names of the parties doing the work.

The plumbers of Concord, taken as a whole, are expert workmen, and are producing today, in many instances, better work than the plumbing laws require, and it has been a great pleasure to your inspector to work with them.

Respectfully submitted,

FRED W. LANG,

Plumbing Inspector.

REPORT OF THE BOARD OF PUBLIC WORKS

To the Board of Public Works:

I have the honor to submit herewith my annual report for the year ending December 31, 1927.

The work of the department embraces the construction and maintenance of streets, the collection of garbage, the sprinkling of streets and the construction of sidewalks and bridges.

In the superintendent's office a complete record of all purchases, expenditures and detailed costs is maintained for reference.

Finance

Funds for the work of the department have been received from the annual budget.

Appropriations

| | <i>App's</i> | <i>Earnings</i> | <i>Expended</i> | <i>Balance</i> |
|---------------------|--------------|-----------------|-----------------|----------------|
| General Maintenance | 201,461.15 | 9,663.03 | 211,124.18 | |
| Garbage | 34,346.20 | | 34,120.16 | 226.04 |
| Sprinkling | 5,000.00 | 12.82 | 5,012.82 | |

Construction

The grading at Hackett Brook bridge, built last year, was completed and three bridges constructed of reinforced concrete, two on Hackett Brook on the Penacook-Loudon road and one on the Burnham Brook on the East Concord-Penacook road. The head wall was built at the culvert on Portsmouth Street.

Following our program, several tile and wooden culverts have been replaced with corrugated iron pipe.

Bridge Street, Main to railroad bridge, was relaid with Granite Block grouted with cement,

Main Street, Freight to Center, Concord Street, Main to State and South Street, Pleasant to Laurel were paved with asphalt.

Sidewalks, concrete and tar, were constructed by our own force.

Maintenance

Trunk Lines

Acting as agent for the State Highway Department, maintenance of these roads was done on a fifty-fifty basis.

Bridges

Bridges were repaired and painted in all parts of the city.

Grading

Several streets have been regraded, new work being paid for by the abutting owners.

Wages

The rates paid for laborers and teams remained the same as those paid the preceeding year.

| | |
|---|--------|
| General labor, basic rate for nine hour day | \$4.50 |
| Street cleaners, nine hour day | 3.85 |
| Collectors of rubbish, etc. | 4.50 |

Bituminous Surface

Several miles of streets have been improved with the tar and gravel treatment; asphalt binder has been applied on the tar and gravel previously built. Streets have been maintained with cold patch as usual.

Garage and Stables

The new gas shovel purchased has allowed us the use of men in other work much needed. New equipment

added besides the shovel were, Dodge one ton truck, and air compressor. Two new horses were purchased.

Snow Removal

The same program has been followed the past year, making an earnest effort to give highway service every day in the year.

Signs and Marking

“Stop” signs were erected at important intersections.

Cross walks were lined and street and direction signs were maintained as usual.

Caution signs were made and erected at all school buildings.

Sprinkling

The flusher has taken care of this part of our work at a minimum cost.

Garbage

The collection of table garbage, ashes and rubbish has been continued, the collection being extended so that now we give service to practically all residential and business parts of our city.

Flood

The flood in November did little damage to us compared to other cities and towns; however our damage was approximately \$10,000, including the retaining wall on Hanover street, which will have to be rebuilt.

General

The Duo-Centennial celebration and the entertainment to Lindbergh were assisted with men, trucks and teams as requested by the committees.

Wood was cut from the city lot in West Concord, sawed and delivered upon order from the Overseer of Poor.

The usual work for the Playground and other committees was performed as requested.

Conclusion

I wish to express my sincere appreciation for the personal interest Mayor Marden always took in the department and would thank Mayor Chase and the Board for their interest and assistance the past year, also the members of our organization upon whom the success of the department largely depends.

Respectfully submitted,

ORRIN W. HEAD,

Superintendent of Streets.

REPORT OF THE SEWER DEPARTMENT

Concord, N. H., December 31, 1927.

To the Board of Public Works:

GENTLEMEN: The seventeenth annual report to your board, showing work done under the supervision of the Engineering Department, for your board, for the fiscal year ending December 31, 1927, is herewith submitted.

In this report I shall make no recommendations, believing it to be more appropriate to make them to your board at your regular sessions, when the opportunity is always open.

FINANCIAL STATEMENT

| | |
|---|-------------|
| Appropriation for construction and repairs, | \$15,000.00 |
| Earnings of department, | 1,601.83 |
| | <hr/> |

| outlet repairs, labor, | 75.26 | |
| raising manholes, labor, | 32.84 | |
| manholes built, labor, | 177.91 | |
| main line plugs, labor, | 393.96 | |
| private pipe plugs, labor, | 446.34 | |
| supplies, | 659.06 | \$17,166.75 |
| | | <hr/> |
| Overdrawn, | | \$564.92 |

There was laid 3,844 feet of sewer in 1927.

Ninety eight plugs in house sewers were removed.

Manholes were raised to fit road improvements.

Six new manholes were built other than those construction jobs.

There were 23 main line sewer plugs.

Miles of main line sewers.

| Stone Street, extension, | 150 " " | 8-inch. |
| Auburn Street, | 138 " " | 8-inch. |

Sewers built by Connolly Brothers in 1927 under contract.

| | | |
|------------------------|------------|----------|
| Clinton Street relay, | 194 ft. of | 12-inch. |
| South Fruit Street, | 803 " " | 8-inch. |
| Grand View Avenue, | 706 " " | 8-inch. |
| Water Street overflow, | 105 " " | 24-inch. |

An itemized account of transactions of the sewer department is kept in the office of the city engineer, and information as to the same can be had by interested parties at that office.

Sewer pipe was purchased of Concord Lumber Company under contract for the year.

Cement was purchased of Boutwell Lumber Company. Supplies were purchased locally when possible.

The Ford truck was purchased May 19, 1925 was replaced by a Chevrolet truck on December 15, 1927.

In company with the other members of the committee on location of poles and wires, I have attended to that duty, attended hearings and meetings of your board and furnished such information as was called for.

Four of the sewer construction jobs were let to Connolly Brothers of Beverly Farms, Mass., at an extremely reasonable figure, and I am pleased to report that the work was done in an acceptable manner and the engineering department employees were courteously treated.

The balance of the construction work, repairs and maintenance of the sewer systems was done by a very small force, namely: William H. Murphy, foreman; Joseph Morgan, Richard Morrill and James J. Berryman, assistant foremen. These men are skilled and loyal workmen, and it is through them that I am able to report a vast amount of work done at a low cost.

For the support and cooperation of our late mayor, Fred N. Marden, your board, heads of departments and the citizens of the city, I wish to express my appreciation.

Respectfully submitted,

FRED W. LANG,

City Engineer.

REPORT OF THE BUILDING INSPECTOR

Concord, N. H., December 31, 1927.

To the Board of Mayor and Aldermen:

GENTLEMEN: The fourth annual report of your building inspector is herewith submitted.

Permits Issued

- 9 two tenement houses.
- 1 bakery oven.
- 1 bank.
- 1 block altered.
- 1 barn moved.
- 1 boiler installed.
- 1 carpenter shop.
- 29 dwellings.
- 4 dwellings altered.
- 1 ell.
- 1 filling station.
- 32 one car garages.
- 32 two car garages.
- 7 three car garages.
- 6 four car garages.
- 2 five car garages.
- 1 public garage.
- 1 dining room.
- 1 garage moved.
- 1 hospital.
- 1 nurses home.
- 1 portecochere.
- 1 shop moved.
- 4 offices.

PERMITS ISSUED

- 1 repair shop.
- 1 roof enlarged.
- 4 roofs raised.
- 1 school house.
- 3 sheds.
- 1 show room.
- 1 store house.
- 1 store.
- 1 addition to store.
- 1 store altered.
- 3 sun porches.
- 1 sun room.

BUILDINGS COMPLETED IN 1927.

- 8 two tenement houses.
- 1 bakery oven.
- 1 bank.
- 1 barn moved.
- 1 block altered.
- 1 boiler installed.
- 1 dining room.
- 22 dwellings.
- 4 dwellings altered.
- 1 ell.
- 1 filling station.
- 27 one car garages.
- 26 two car garages.
- 7 three car garages.
- 5 four car garages.
- 2 five car garages.
- 1 public garage.
- 1 garage moved.
- 1 Christian Science Home.

- 1 hospital.
- 1 nurses' home.
- 1 lodge room.
- 1 lodge room and theatre.
- 1 portecochere.
- 4 offices.
- 1 roof enlarged.
- 4 roofs raised.
- 4 school dormitories.
- 1 school house.
- 3 sheds.
- 1 show room.
- 1 store house.
- 3 stores.
- 1 store addition.
- 3 sun porches.
- 1 sun room.

Signs

There have been 19 signs erected during the year, all of which have been erected in a substantial manner.

On June 13th, the fire limits were enlarged to take in the territory south of Pillsbury Street to a point 200 feet south of Wiggin Street.

The inspections have taken a great amount of time, and I feel that the code has been lived up to cheerfully by the contractors, with these exceptions:

Four roofs were covered with wooden shingles, and in two cases they were removed, and the other two were covered with fire-resistive shingles over the wooden ones.

For the courtesy extended me by your board, the contractors and citizens, I wish to express my appreciation.

Respectfully submitted,

FRED W. LANG,

Building Inspector.

PUBLIC LIBRARY

REPORT OF THE TRUSTEES

*To the Mayor and Board of Aldermen of the City of
Concord, New Hampshire:*

The Trustees of the Public Library herewith transmit the annual report of the Librarian, which treats briefly of the work of the year and present library conditions.

Respectfully submitted,

WILLIS D. THOMPSON,
President of the Board of Trustees.

REPORT OF THE CITY LIBRARIAN FOR 1927

To the Board of Trustees of the Concord Public Library:

GENTLEMEN: The Report for the seventy-third year of the Library's existence, is herewith submitted:

Expenditures

| | |
|-----------------------|-------------|
| Salaries and labor | \$5,876.92 |
| Books and periodicals | 1,747.93 |
| Binding | 521.05 |
| Printing | 117.60 |
| Fuel and light | 785.35 |
| Incidentals | 1,048.10 |
| | <hr/> |
| | \$10,096.95 |

Our incidental expenses usually amount to about \$500; the increase the past year came from having to floor over the central open space around which ran a gallery. We took this step reluctantly, for without any system of ventilation, this putting on of a lid, as it were, surrounds the working staff and the reading public with air more vitiated than formerly. But after your vote was passed to drop the matter of building until the fund for that purpose becomes much larger, it was seen to be imperative to secure additional shelving in some way. You will observe that the new stacks can hold thousands of volumes. We have thus solved the problem of where to put the purchases of the next few years; this measure obviates the necessity of rushing into the erection of temporary or unsightly additions, of making the Library a patched

affair, of mongrel architecture. After waiting so long, Concord should have a *model* Library. We all know what the prime requirements are for any public edifice: first, right location, second, perfect proportions; interiors, if found faulty, *can* be changed; but *place* and *looks* make or mar a civic building.

While we pondered how to make this blessed but out-grown Fowler Building livable a while longer, we decided that its second floor must be warmed by more than the tiny hot air register; accordingly two radiators were put in, and though the old heater may not keep them filled with steam, their installation will prevent the frigid temperature in the upper stacks which has prevailed on zero mornings.

To return to statistics:—

We have during 1927,

| | |
|-----------------------------|-----|
| Added by purchase, | 914 |
| added by gift, | 48 |
| added by binding magazines, | 38 |

1000

| | |
|-----------|-----|
| discarded | 412 |
|-----------|-----|

| | |
|----------|-----|
| net gain | 588 |
|----------|-----|

| | |
|----------------|--------|
| Now in Library | 37,427 |
|----------------|--------|

For our liberal discarding we offer no apologies; “The destruction of books is as important as their custody”, says Joseph Collins, that doctor who is famous for looking at life and literature. As for our purchasing, we endeavor to pay out no city money for what President Faunce calls, “garbage authors;” yet we are disposed to treat adults as if they had minds of their own.

We find ourselves in accord with the New York Public Library which has decided to blossom out in bright colors, for we, during several years, have had the Cragg Bindery dress up our worn volumes in gay shades of buckram, the result being "all to the good."

It has been stated that the golf course and bridge table keep adults from their reading, and even the very young generation now have their time so dated up with engagements that reading, in the old fashioned way, for pleasure, is neglected. Yet our circulation has increased over 5000 the past year, bringing the figure to 82,041 volumes for home reading. Furthermore, 3,671 persons have been counted as coming to the reference room, and doubtless many others have dropped in and waited on themselves. If asked to name the most popular book of the year, "We", by Lindbergh, might be given in reply; other non-fiction works that have been in great demand are:— "The Story of Philosophy", "The Royal Road to Romance" and "Mother India."

We notice we lose more books than we once did, and increasingly often we hear a pupil explain, "I carried the book to school and it was taken from my desk."

The cost of books is still climbing, and it hurts to pay \$2.50 for an ephemeral novel. It pains private individuals also to spend for books, and that public libraries are the source of most of their supply of reading-matter may be inferred from the statement that the "expenditure in America per person for candy, ice-cream and confections is \$18.15. The expenditure for books is \$1.10."

Possibly the attractiveness of the Apple Tree Bookshop will cause Concord to have a more creditable average. Mention of this latest place where books are to be had, brings to mind the many alluring young rivals there are now to our old Public Library, and it may be a good idea

to direct attention to the fact that our institution still has some specialties:—

First, it is free.

It has books to circulate in eight foreign languages, and adds to this collection yearly, from the fund left by Samuel C. Eastman for that purpose.

It does wonders in the reference room; Miss Dennett and Miss Clarke, taking turns there, are most painstaking and successful in handling the varied questions propounded. I like to brag of their work.

It buys books on the widest range of subjects. Listen to the titles on these recent acquisitions:—Geography of American antiques; Egyptian papyri; Electrotyping; Everyday problems of the everyday child; "So you're going to France;" Can the churches unite? Stage costuming; Men of destiny; Indigestion; The School Board member; The heart of Thoreau's Journal; Old-fashioned dances; Exploring the universe.

It is the repository, in this city, for gifts from the Carnegie Endowment for International Peace, and our resultant International Mind Alcove is getting sizable and valuable. From the same source are now coming easy-to-read books calculated to start young folks with right ideas about other nations. These ought to be kept before youthful customers and talked over with them. And this brings us again to the subject of a Children's Room and of all we *don't do* for our boys and girls. As far as books are concerned, your children have been deprived of a browsing place and a shepherd; but please do not so defraud your grandchildren.

Instead of the usual 700 new borrowers, we had, last year, 864; the majority of these were juvenile, and let us hope each one may feel as did that little girl in Arlington,

who said, "Daddy, every time I get a book out of the Public Library, I feel richer."

At the last annual meeting, we hoped we might have Prof. Worthen with us again this year; but his health and strength declined and on Sept. 21 he died. From pulpit and press, from intimates and co-workers, came such tributes to his worth that I am not qualified to add to them; but he was President of my Trustees and he dropped into my office often, and I became acquainted with his clear brain and sturdy heart. He did not question whether this is the best possible world; he just tried, each day, to make it better.

How much he was interested in this institution you all know. Mrs. Worthen has turned over to me the drawerful of jumbled notes, memoranda and figures which he made when trying to pull us out of our building quagmire, and among these papers there occurs on many scraps this quotation which he evidently liked, believed, and meant to use whenever he spoke in public on the subject:

"A great library of any kind whatever, is more than a repository. That is its second use. The first and supreme object is to inform, incite, awaken. Rightly used, it is one of the creative agencies of civilization."

And that is the high note on which to close my report.

GRACE BLANCHARD,

City Librarian.

POOR DEPARTMENT

SIXTIETH ANNUAL REPORT OF THE OVERSEER OF THE POOR

FOR THE YEAR ENDING DECEMBER 31, 1927

To the Board of Aldermen:

The undersigned herewith submits the sixtieth annual report of the expenditures for the poor, including Wards One and Two, for the year ending December 31, 1927.

City Poor

| | | |
|---------------------|------------|------------|
| Appropriation, | \$5,390.00 | |
| Resolution No. 752, | 2,947.99 | |
| | <hr/> | \$8,337.99 |

| | | |
|---------------------|----------|------------|
| Paid groceries, | \$584.99 | |
| fuel, | 329.25 | |
| rents, | 168.50 | |
| board and care, | 4,777.21 | |
| care, children, | 1,699.59 | |
| transportation, | 43.25 | |
| medicine, | 11.53 | |
| shoes and clothing, | 107.17 | |
| burials, | 164.00 | |
| medical services, | 57.00 | |
| miscellaneous, | 5.50 | |
| salary, overseers, | 390.00 | |
| | <hr/> | \$8,337.99 |

County Poor

| | | |
|---------------------|-------------|-------------|
| Appropriation, | \$15,000.00 | |
| Resolution No. 752, | 6,499.67 | |
| | | \$21,499.67 |

| | | |
|---------------------|------------|-------------|
| Paid groceries, | \$4,669.08 | |
| milk, | 274.87 | |
| fuel, | 2,727.35 | |
| rents, | 4,268.43 | |
| care, children, | 4,437.50 | |
| board and care, | 4,129.15 | |
| shoes and clothing, | 485.91 | |
| burials, | 177.00 | |
| transient account, | 33.27 | |
| services, doctors, | 52.00 | |
| hospital care, | 147.42 | |
| miscellaneous, | 97.69 | |
| | | \$21,499.67 |

| | |
|------------------------------------|-------------|
| Total amount paid for aid to poor, | \$29,837.66 |
|------------------------------------|-------------|

Dependent Soldiers, City

| | | |
|---------------------|----------|----------|
| Appropriation, | \$150.00 | |
| Resolution No. 752, | 113.00 | |
| | | \$263.00 |

| | |
|------------|----------|
| Paid care, | \$263.00 |

Dependent Soldiers, County

| | |
|----------------|------------|
| Appropriation, | \$1,000.00 |
|----------------|------------|

POOR DEPARTMENT

245

| | | |
|--|----------|------------|
| Paid groceries, | \$301.08 | |
| fuel, | 142.70 | |
| rents, | 88.00 | |
| board and care, | 240.00 | |
| shoes, | 2.98 | |
| burial, | 72.00 | |
| | | \$846.76 |
| | | <hr/> |
| Total amount paid for aid to soldiers, | | \$1,109.76 |

Respectfully submitted,

ARTHUR E. ROBY,

Overseer of the Poor.

REPORT OF THE CITY CLERK

To the Board of Aldermen:

The undersigned herewith presents an account of the amount received from fees, licenses, and other sources for the year ending December 31, 1927.

| | |
|------------------------------------|------------|
| Marriage Licenses, | \$255.00 |
| Recording Conditional Sales, | 1,129.50 |
| Recording Personal Mortgages, | 132.50 |
| Recording Mortgage Discharges, | 53.75 |
| Recording Writs, | 5.20 |
| Recording Assignment of Wages, | 1.50 |
| Pool Table and Bowling Alley Fees, | 2.50 |
| Certificates of Record, | 18.25 |
| Resident Certificates, | 79.50 |
| | <hr/> |
| Total amount, city clerk fees, | \$1,677.70 |

| | |
|-------------------------------|-----------|
| House Rent, Fire Chief | \$250.00 |
| Rent, Concord Battery Station | 840.00 |
| Theatre Licenses | 877.00 |
| Roller Skating License | 28.00 |
| Dog Licenses | 2,751.21 |
| Pool Table Licenses | 290.00 |
| Job Team Licenses | 96.50 |
| Circus Licenses | 100.00 |
| Earnings, Comfort Station | 189.96 |
| Junk Licenses | 90.00 |
| Aid County Poor | 21,516.67 |
| Aid Dependent Soldiers | 846.76 |
| Druggist Permits | 7.00 |
| Sale City Charters | 7.00 |

| | |
|---|-------------|
| Sale City Histories and Maps | 26.25 |
| Sale of Land, W. E. Sleeper | 62.08 |
| Sale of Land, Warren Foote | 11.02 |
| Sale of Land, E. E. Plummer | 77.08 |
| Sale of Land, C. and C. R. Liberty | 1.00 |
| Rebate, Toboggan Chutes Ins. | 22.50 |
| Rebate, Union School District | 400.00 |
| A. O. Preston, account, account M. J. Preston | 225.00 |
| Playgrounds | 8.21 |
| Sale of Grass, Playgrounds | 50.00 |
| City Primary Fees | 72.00 |
| Lease Land, C. L. Piper | 25.00 |
| Bounty on Hedgehogs | 2.20 |
| Board of Health | .85 |
| | <hr/> |
| | \$30,550.99 |
| Motor vehicle permits, 1927, | 27,413.44 |
| Motor vehicle permits, 1928, | 20,348.41 |
| | <hr/> |
| | \$78,312.84 |

The foregoing amounts have been paid into the city treasury.

Respectfully submitted,

ARTHUR E. ROBY

City Clerk.

REPORT OF SEALER OF WEIGHTS AND MEASURES

FOR THE CITY OF CONCORD

COVERING PERIOD JANUARY 16, 1927 TO JANUARY 1, 1928

*To His Honor Olin H. Chase, Acting-Mayor, and the
Board of Aldermen:*

During the past year there were six hundred and twelve (612) scales found correct and were sealed, one hundred and forty (140) adjusted before being sealed, twenty-three (23) were confiscated and twenty-four (24) condemned for repairs which were later reinspected and sealed.

One thousand four hundred and twelve (1412) weights were found correct and were sealed and two (2) were confiscated.

Four hundred and seventy-one (471) liquid measures were found correct and were sealed, eight (8) were confiscated and one (1) condemned for repairs which was later reinspected and sealed.

Four hundred and forty-five (445) tests of gasoline pumps were made, three hundred and sixty-seven (367) of which were found correct and were sealed, fifty-eight (58) adjusted before being sealed, two (2) condemned for use and eighteen (18) condemned for repairs and later reinspected and sealed.

Nine hundred and eighty-eight (988) packages of commodities put up in advance of sale were reweighed, nine hundred and sixty-four (964) of which were correct,

nine (9) over and fifteen (15) under weight.

Twelve (12) reweighings of loads of coal were made, eight (8) of which were found correct, one (1) over and three (3) under weight; also the amount of coal was estimated in a bin.

Twenty-two (22) cart bodies used in the delivery of wood were measured.

Respectfully submitted,

GEO. A. DEARBORN.

City Sealer.

REPORT OF THE CITY SOLICITOR

To the Mayor and Board of Aldermen:

During the past year two suits have been entered against the City, one by Frank H. Silver seeking to recover for pay as fireman after the date of his removal as permanent man on the alert house. The other is a suit of Leo Tremblay by his father Louis Tremblay seeking to recover damages for a collision between a piece of fire apparatus and Tremblay's motorcycle.

The former is expected to be submitted within a short time and the latter will be in order for trial at the April term of court.

The only other case in which the city is interested which is now upon the docket of the court is the petition in conjunction with the Town of Pembroke for the discontinuance of a part of the old Pembroke Road over the Soucook River. Last January the County Commissioners heard this petition and reported for the discontinuance. The city now has a motion pending for the acceptance of this report and a decree of discontinuance on the same.

John J. Dooning an abutting owner has pending two motions, one for the setting aside of the report and the other for an assessment of damages suffered by him from the discontinuance. Repeated attempts by myself and counsel for the Town of Pembroke have proved unavailing to get these matters disposed of on account of the dilatory tactics of the other side. These attempts on our part will be continued in the hope of having the matter disposed of before long.

During the year I have attended to routine matters connected with the giving of opinions, the laying out of

highways and sewers and a multitude of other matters, some of which have taken a large amount of time, especially the question whether the Borough Road is a public highway.

Respectfully submitted,

ELWIN L. PAGE,

City Solicitor.

REPORT OF THE PARK COMMISSIONERS

To the Mayor and Board of Aldermen:

In addition to the routine work of caring for the city parks considerable progress was made in providing additions that were absolutely necessary.

At Rollins Park a new shelter was erected of rustic design, made of cedar with the bark on, and a new bridge across the pool was built, with concrete abutments. The old shelter was erected in 1897 and was demolished by hoodlums on July 4, 1926. The old bridge was built in 1896 and was in a sad state of repair, having been patched and repatched. About 60 dead pine trees were removed. Many of these trees were over 80 years old, judging from the number of rings on the stumps. These were successfully taken down without injury to the other trees. A new drinking fountain was installed, with porcelain cups supporting the bubbler. This was a mistake as the porcelain part of the fountain was continually smashed by the frequenters of the park. The old swings were found to be unsafe and modern swings and a slide were installed. The Satin moth made its appearance on the Lombardy poplars and as these trees were presenting an extremely ragged appearance from old age, several were removed. Those on the north line of the park should be removed soon, and an iron fence should be carried along this boundary.

At the West Garden a strip of land four feet wide on the northern end running back 91½ feet was deeded to Geo. W. Hanson and wife, in exchange for land in the northwest corner.

Several new trees of flowering crabs were planted in

White Park and a stone wall was built along the High street border, as far as the pine grove. Some poplar trees near the pond were removed as the danger to the water fowl presented their being sprayed for the Satin moth. A section of iron fence was carried along the White street border.

The Eastman Memorial Park at East Concord was seeded to grass and shrubs were set out at Pecker Park.

FRED N. MARDEN, Mayor
WILLIS D. THOMPSON, Jr.
CHARLES L. JACKMAN
BENJAMIN C. WHITE
ALPHEUS M. JOHNSON
WILL J. DREW
GARDNER G. EMMONS

Park Commissioners.

REPORT OF TREE WARDEN

To the Mayor and Board of Aldermen:

At your request I submit herewith a report of the activities of the city tree wardens for the year 1927:

An appropriation of \$6,000 was provided for 1927 for tree work, and there was actually spent about \$6,120. The previous year the appropriation had totalled \$7,500.

Three men were constantly employed during 1927, with one of the three supervising as well as working. At some periods early in the year additional men were employed for short spaces.

The work done by these men may be summarized as follows:

1. Systematic pruning of all city trees.
2. Annual burning of gypsy and Brown tail moth nests in winter months.
3. Annual spraying of all elms and poplars each Spring.
4. Annual planting of 100 to 300 new trees, mainly maples.
5. Planting of 5,000 pine seedlings on land cleared at city farm in West Concord.
6. Removal of dead and decaying trees, and of poplars, as rapidly as possible.
7. Serving all complaints, which are most frequent after a heavy wind or rain storm, and during caterpillar season.
8. Encouragement of public interest in care and preservation of trees.

In 1927 these things were systematized, with the idea of placing the work upon a permanent and planned basis.

Certain things must be done in proper seasons. Trees, for instance, may be only be set out properly at certain Spring and Fall periods. This work has all been concentrated in the Spring period.

Spraying must be done at the moment when leaves have just reached or have nearly reached their full growth in the Spring, which is just after the planting season. There must be leaves in order that the spray be retained in the trees. It is these young leaves which the caterpillars, soon to hatch, feed upon, thus being poisoned.

Pruning cannot be done when sap is running in the trees.

In 1927 the tree men worked through wards 1, 2 and 3 thoroughly, pruning all city trees. There still are trees in these wards which should come down, however, and the effects of pruning of course do not last forever. In 1928 other wards should be thoroughly covered. It is probable that a carefully planed program would permit such pruning three wards at a time each year, or a pruning everywhere in the city once in three years. This is not only important from the point of view of the trees' best development but also from the point of view of public safety, as such pruning removes dead and decaying branches and limbs which are a menace to sidewalk and street traffic, the bulk of city trees bordering throughfares.

The planting each Spring is important, otherwise replacements of trees will not keep pace with their removal. Such planting costs several hundred dollars, according to the number of trees bought, over and above the labor charge, which is constant under present arrangements. As largely as possible such plantings are now being done where abutting property holders show an interest, for this insures better care for the trees and makes more certain their life.

It also would seem wise to continue the reforestation program at the city farm. In part this project pays for itself, as some of the hard woods removed are used for fire wood purposes, which cuts down the amount of wood the city must purchase for its poor.

Clearing the land is the hardest part of this task, and too much should not be attempted each year, for lack of men and time. However, the actual planting, done by assembling the Boy Scouts, and Farm Bureau boys clubs, helps develop tree interest, and makes a fitting annual observation of Arbor Day. Looking ahead, this 50-odd acre farm may be eventually converted into a fine stand of pine, which if properly handled should produce a profit to the city, as well as providing splendid park possibilities.

Removal of dead trees is a precarious and time-taking task. Yet much of this work must be done each year. Ordinarily electric and telephone wires complicate the situation, making it impossible to fall the tree and then cut it up. Instead it must come down piece meal, starting at the top.

Clearing up tree debris and getting to and from work necessitates transportation. For a space trucks or teams were rented from the highway department, but the expense was too great. J. H. Jordan, in charge of the gang, now uses a Dodge car which belongs to him for these purposes, for which he receives \$1 a day. Much time is saved in getting to and from jobs, and while Jordan is probably not fully compensated for the truck's use he has sufficient interest in retaining his job and in the tree work to make this contribution.

The tools of the department are not many. The sprayer is owned by the highway department, which does not use it. If the tree department is kept separate the sprayer might be transferred. The tree department

holds title to ladders, saws, ropes, etc., all of which must be repaired or replaced constantly.

The tree department does not consider public parks or cemeteries as within its domain. It tends merely to the trees bordering highways, and those at the city farm. It did, two years ago, do quite a lot of work at White Park, where conditions were bad among the trees, but this was an exception. Cemetery trees are also in need of more attention. Possibly the tree work more properly belongs with the park program, than with the highway department, where it originally was. However, these are matters which you and the Board of Aldermen must decide.

Let me say in conclusion that the tree work is interesting, and a most valuable part of the city's efforts. Concord is a tree city, and should do all it can to preserve this asset.

JAMES M LANGLEY

Chairman, Tree wardens.

HEALTH DEPARTMENT

REPORT OF THE BOARD OF HEALTH

To the Mayor and Board of Aldermen:

The following annual reports of the Sanitary Officer and Milk Inspector are hereby submitted and approved by the Board of Health. It is with great satisfaction that continued improvement is noted in both departments. We deeply regret that we must record the death of the late Mayor Fred N. Marden; he was always ready and willing to cooperate with us in every way.

Respectfully submitted,

OLIN H. CHASE,
WALTER C. ROWE, M. D.
DONALD G. McIVOR, M. D.

REPORT OF THE SANITARY OFFICER

GENTLEMEN: As Sanitary Officer for the City of Concord, I hereby submit my 35th annual report for the year ending December 31, 1927.

During the year there were 474 deaths, 80 less than in 1926. 200 of these deaths were in the nine wards of the City, 272 in the public institutions and two died before reaching the hospital. 183 deaths were of non-residents and not included in the death rate. Estimating the population at 23,000 the death rate for the year was 12.6.

Owing to the measles epidemic which started in December 1926 there were many cases reported in the early winter, the majority of which were very mild. The summer and fall of 1927 were exceptionally free from contagious disease. There were 36 cases of scarlet fever as compared with 53 of the preceding year; 4 of diphtheria and the usual number of tuberculosis, whooping cough and venereal diseases were reported.

At the Venereal Clinic in Concord maintained under the auspices of the State and local Boards of Health and the Concord Chapter of the American Red Cross, 642 treatments of Neo salvarsan have been given by the physician in charge, Dr. John M. Murray. The value of this clinic cannot be overestimated as a safeguard of the public.

Complaints have been many and varied, 133 having been reported and investigated. Regular inspections of the alleyways have been made and a decided improvement is noted. 224 rooms, 3 cellars and 2 schoolrooms have been fumigated for various causes, also 8 bundles of clothing.

After the high water of November 1927, considerable time was spent in the flooded area at East Concord and

the south end of the City. Cellars and houses were inspected and suggestions made that would help improve conditions. Many cans of chloride of lime and bottles of disinfectants were given to the tenants, thereby reducing the danger of sickness.

All of the City schools have been inspected and were in very good condition. Several houses outside the sewer precinct, restaurants, bakeries, markets, barber shops, beauty parlors and boarding houses for children have been investigated.

Many trips around the shores of Penacook Lake have been made and the tests of drinking water are very satisfactory.

The total appropriations and expenditures for the year are as follows;

FINANCIAL REPORT OF SANITARY OFFICER.

Appropriations.

| | |
|--------------------------|------------|
| Salary, Sanitary Officer | \$2,000.00 |
| Upkeep of automobile | 400.00 |

| Number of school buildings inspected | 15 |

I wish to thank the Mayor and members of the Board of Health and all City Officials for their hearty cooperation in the work of this department.

Respectfully submitted,

CHARLES E. PALMER,
Sanitary Officer.

REPORT OF MILK INSPECTOR

—Concord, N. H., February 28, 1928

To the Board of Health:

GENTLEMEN: Herewith is submitted a report of the milk inspector's division of the Board of Health for the year 1927.

The work of inspection has been carried on in much the same manner as last year. Personal visits were made to nearly all sources of the milk supply as received in Concord. We believe to procure a good supply of milk it is necessary first to start with the producer of milk, and follow each producer's methods through, and offer such suggestions as may be of help in making their supply a clean and safe one. Properly informed dairy-men offer no serious objections to farm inspection where unsanitary conditions need immediate correction.

There are 174 dairy farms producing milk in this vicinity, the cattle of which are all tuberculin tested.

The number of dairymen producing and distributing raw milk in this city is about 40. Another 20% are distributors, producing none of the milk handled by them.

During the year there were several cases of septic sore throat. The presumption was that those persons who suffered from sore throat, and where a number of cases occurred on one milk route, that there was a possibility of the milk supply being affected. This theory received immediate support of the health department. Accordingly, there were four herds inspected by this department, the milk from each quarter of the udder of each of the cows being examined, and where evidence of inflammation or infection were seen, a sample was taken for

bacterial tests. Only one cow was found infected with hemolytic streptococcus of the beta type. The milk supply from this cow was discontinued.

From fifty samples of milk collected from drug stores and eating places, 30% were found below butter fat and bacterial standards. Because of this fact, it was suggested where milk was served loose from the can for drinking purposes, that they adopt the method of serving milk in the original capped bottle as received from the dairy. As a result, two drug stores and seven eating places are serving milk to their customers in this manner.

The average daily receipt of milk for this city by railroad, truck and wagon for the year 1927 was 326.29 gallons. The average daily receipt of cream was 102.88 gallons. The per capita daily consumption of milk was .589 quarts. The per capita daily consumption of 40% cream was .0135 quarts. The approximate quantity of milk pasteurized in our city based on total output was 18% as compared to 12% a year previous.

In closing the writer desires to express his sincere appreciation of the help and cooperation given him by members of the health department throughout the year.

Appended hereto are tabulations showing the work done by this division during the fiscal year.

JOHN W. STANLEY,
Clerk,

ASSESSORS' REPORT

To the Taxpayers of the City of Concord:

The Board of Assessors submit to your consideration the following facts and figures showing the valuation of the city and its school districts and special precinct, with the amount of taxes raised in each and returned to the tax collector for collection.

In the following report is a table of the amount raised by direct taxation for the years from 1917 to the present time, which shows the increased amount spent by the city.

TABULATIONS OF WARRANTS SUBMITTED FOR ASSESSMENT, VALUATION OF CITY AND PRECINCTS, WITH RATE FOR EACH IN 1927.

| Warrant | Amount of Warrants. | Tax rate per \$1,000. | Assessed valuation of city and precincts. |

I hereby certify that I have examined the foregoing accounts of Carl H. Foster, city treasurer, for the year 1927, and find all items of receipts and expenditures therein properly recorded and authenticated by appropriate vouchers, and the several items correctly cast, and the cash balance to be thirty nine thousand four hundred forty three dollars and ninety cents (\$39,443.90); the balance to the credit of the Departmental Equipment Bond account to be two hundred twenty nine dollars and ninety two cents (\$229.92) and the City Water Department balance to be thirty five thousand twelve dollars and forty eight cents (\$35,012.48).

I have also verified the account of the special funds of the City in the hands of the city treasurer, and find such special funds invested and the income thereof for the year 1927 accounted for as shown by the books of the city treasurer for that purpose.

ARTHUR E. ROBY,
City Clerk.
